**Subject:** State of Oklahoma House Claims Sovereignty Under Constitution - 93 Yays, 3 nays, 6 excused

**To: Those working to return individual and state free choice to America**

Just received this from Pat in Idaho, thank you Pat. Here is her quote from below.

- "I did spend a while on the Okalahoma government website and verified this.
- It not only passed, it passed by a vote of 93 yays, 3 nays, and 6 excused."

**My comments - Oklahoma is right on the mark**

*"that Congress may not simply commandeer the legislative and regulatory processes of the states; and"*

*"THAT this serve as Notice and Demand to the federal government, as our agent, to cease and desist, effective immediately, mandates that are beyond the scope of these constitutionally delegated powers."*

- At least one state must break all ties with the federal government ASAP
- The fed is making prostitutes out of us all
- The counties and cities must in turn break away and wean themselves from their their drugs and addictions of choice
- No sovereign state should be bound in any way to the "federal zone"
- No sovereign natural born free state Citizen should be bound in any way to any any state, county or city government
- Government employees and those living in the federal zones are the only people people that are bound
- Natural born sovereign state Citizens are bound only to their God, Natural Law

### **Law and Common Law at their choosing.**

- **No one, not even God**
  - **trespasses upon or takes or restricts or licenses**
  - **or wars upon the birth rights of the natural born sovereign state Citizens that that were given to us**
    - **only ignorant and arrogant government employees steal our private property with both hands**
    - **only apathetic natural born sovereign state Citizens allow anyone to get get away with this**
    - **100 years ago those who stole horses and cattle were hung and/or shot shot by local vigilante groups**
      - **because of corrupt judges, councils, special interest groups, government, etc.**
    - **Now these same rustlers are elected into government while we are forced to pay them to steal and trespasses into our lives**
  - **we are born free with birth rights making us untouchable**
    - **to any federal, state, county, city or non government encroachment**
  - **this is not just the intentions of our Founding Fathers**
  - **your birth rights are encoded in your DNA**
  - **a limited government was formed and took an oath to protect these sacred rights NOT TAKE THEM**
- **America has become one of the most treasonous and treacherous stalkers of private and public property in modern history**
  - **We are frozen in fear by a few special interest groups who cannot support themselves without stealing our property**
  - **Freedom researchers are exposing a long history of debauchery, deception, predatory exploitation of those once free**
- **The states must wake up to these truths and cut the chains that bind us to a few few elite groups**
  - **before we literally starve to death in our own fields of grain and vast untapped natural resources**

- the state must stop enacting unending nonsense taking legislation and addresses the above emergency issues ASAP
- nonsense legislation = anything that takes from A and gives to B by force, bribes, fees, fines, ticketing, reporting, pay backs, deception or coercion or silence, i.e. no response
- common sense legislation = free choice, public transparency for all to see and vote
- county governments need to be broken up completely to allow the rural areas to manage their own affairs
- city governments need to protect private property not extort the owner to the the highest bidder
- the existing tax base of the cities, counties, state and federal government is totally unconstitutional and illegitimate and has been ruled so in at least 4 states already

**Jack Venrick**  
**Cutting my chains**  
**To this corrupt town**  
**This corrupt county**  
**And this corrupt state**  
**Who war upon my free choice**

*State of Oklahoma claims Sovereignty under Constitution*

*« on: June 14, 2008, 05:03:59 PM »*

**STATE OF OKLAHOMA**

*2nd Session of the 51st Legislature (2008)*

**HOUSE JOINT**

**RESOLUTION 1089** By: Key

**AS INTRODUCED**

*A Joint Resolution claiming sovereignty under the Tenth Amendment to the Constitution of the United States over certain powers; serving notice to the federal government to cease and desist certain mandates; and directing distribution.*

*WHEREAS, the Tenth Amendment to the Constitution of the United States reads as follows:*

*"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."; and*

*WHEREAS, the Tenth Amendment defines the total scope of federal power as being that specifically granted by the Constitution of the United States and no more; and*

*WHEREAS, the scope of power defined by the Tenth Amendment means that the federal government was created by the states specifically to be an agent of the states; and*

*WHEREAS, today, in 2008, the states are demonstrably treated as agents of the federal government; and*

*WHEREAS, many federal mandates are directly in violation of the Tenth Amendment to the Constitution of the United States; and*

*WHEREAS, the United States Supreme Court has ruled in *New York v. United States*, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and*

*WHEREAS, a number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the Constitution of the United States.*

**NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES**

**AND THE SENATE OF THE 2ND SESSION OF THE 51ST OKLAHOMA LEGISLATURE:**

*THAT the State of Oklahoma hereby claims sovereignty under the Tenth Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States.*

*THAT this serve as Notice and Demand to the federal government, as our agent, to cease and desist, effective immediately, mandates that are beyond the scope of these constitutionally delegated powers.*

*THAT a copy of this resolution be distributed to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Speaker*

*of the House and the President of the Senate of each state's legislature of the United States of America, and each member of the Oklahoma Congressional Delegation.*

PDF Document [http://www.ok-safe.com/files/documents/ ... 89\\_int.pdf](http://www.ok-safe.com/files/documents/...89_int.pdf)

*This means that the State of Oklahoma is basically Seceding from the Corporation known as the UNITED STATES of AMERICA, an artificial entity created in 1934, and not the Nation of American States created by the Constitution.*

*The last time this was done, Civil War broke out. Do you think that the Federal Power over the States will actually cease and desist? This is good, in a way, and bad, in another way. More States are certain to follow suit, I think a lot of them were waiting for someone else to start the ball rolling. This bears watching....*

### **And another post from Pat**
