STATEMENT OF MARK E. APPLEBY ON WOLF ATTACK

STATEMENT OF RAYMOND R. PITMAN ON WOLF ATTACK

OCT 30, 2010

**"Myself and Mario Benedict went hunting on Friday the 29<sup>th</sup> of Oct up Deep Creek Rd on east side of Hungry Horse Reservoir.**

"I shot a 6 point bull elk approximately two hours from the truck. I gutted and quartered the elk as Mario drags them up to the road. We then walked back to the truck. As Mario had to work the following day, I got Raymond Pittman to help me get the meat the following morning with my horses." .....

**"Mark turned and started to yell "Wolves, Raymond".**

"I turned to see 6 or 7 wolves at 20 yards or less coming in on us, "silently!! No noise was heard." I pulled my .44 and fired a round up the hill as a warning. They didn't pause at all. ....

**"Then my .44 was out of bullets ...**

**"God saved us this time, but those wolves are still out there.**

**"I won't go in these woods without a side-arm ever again. These wolves were not afraid of us at all. They are killers.**

"If those horses didn't tell us, they would have been on us in 3 seconds.

**"The closest I have ever been to being food for a predator."**
