Ok, so you have probably heard the great news about the Tax Issue reprint, but that is only part of the offensive.

The second part is knowing how to handle the IRS and its infamous intimidation techniques. What will you do when they come knocking on your door?

Hear how first hand from Tommy Cryer, Peymon Mottehedah and Steve Hempfling this weekend live from thier workshop in Los Angeles.

Freedom.tv, RTR and Republic Magazine will be broadcasting live from the event on Saturday(1/24/09). You can tune into the first half of the presentation starting at 9am-noon (pacific) at:  
<http://www.freedom.tv> for F.R.E.E.

The second half of the presentation 1pm-5pm will focus on tactics for defeating and handling IRS confrontations.

This is a landmark broadcast. If you can attend the live event, by all means do so... but if you can't afford the cost of the trip, you can stream it live directly to your home and get access to an online recording of the full event and workshop.

We have set up a special membership page for access to the workshop and recording plus a special bonus you won't want to miss!

Visit the page below for details:

If you are at the event, please stop by our table to say hello!

Sincerely,  
George

P.S. If you want to attend either of the live events in L.A. Jan 24-25, you can get directions and details on the Freedom
