Michael its a great honor to hear from you.

You will be speaking at Wendy Burnbomb's estate in August (out of Orting Washington) which is about 30 minutes south of me.

I have bcc'd the Citizen Alliance For Property Rights board to see if they will put out an announcement of this event at Wendy's. I have only heard about this word of mouth.

I just added your news email to my list. I also added your email to my outgoing so you can at least monitor the state of the seige from the State of Washington.

My wife just spent 4 hours with Roni in Denver last week when she was on a business trip. They both hit it off I hear. Roni and I have been virtual buddies for years.

I have a copy of your report The Ultimate War. With your permission I would like to scan it in and send it out unless you can send me a digital copy you already have.

Thanks for all you do. We will remain in closer touch.

Hello Jack,

Glad to be able to communicate with you. I have reviewed your excellent website and particularly studied your unalienable rights page. Very valuable.

I also know that Roni Sylvester with Good Neighbors Law has contacted you regarding my presentation entitled, "The Ultimate War - Globalism vs. America". I will be in Washington August 21 to deliver a Washington version of the talk outside of Tacoma. We are now scheduling additional presentations in the WA/OR area. If you and/or Ron Ewart would like to discuss sponsoring such an event you can contact me via email or at 831-684-1723.

It has also come to my attention that our newsletters to you regularly bounce, even though we have the correct address. On occasion we send emails from [news@freedomadvocatesnews.org](mailto:news@freedomadvocatesnews.org) so it might help to add our email addresses to your safe sender list.

Regards,

Michael Shaw
