

Dear Friends,

Attorney Larry Becraft will be my guest again this week on the Freedom Above Fortune Radio Show. I plan on having Larry on the show frequently because there is so much information to cover regarding taxation and the monetary system. The Freedom Above Fortune Radio Show is broadcasted on “The Micro Effect” Radio Network ( <http://www.themicroeffect.com> ) from 2:00 pm to 3:00 pm Pacific Time, every Thursday. Listen in! Call the show and ask a question! (888) 747-1968. Archives of the show are available but, unfortunately, the network does charge a fee for downloading archives of the show. See <http://www.themicroeffect.com/archive.htm> for more details.

Don't forget that Attorney Becraft (and some unsung heroes) created an incredible researching tool all in one CD-ROM. He has compiled the most comprehensive, easy to access history of the federal income tax laws I have ever laid my eyes on. The CD-ROM includes more recent information such as a report from a 1975 investigation of the IRS, Title 26 of the Code of Federal Regulations from 1999, the entire Internal Revenue Code from January, 2002, Statutes At Large 111 through 121 (105<sup>th</sup> Congress through 110<sup>th</sup> Congress – roughly 1997 through 2007) and earlier information such as the Revenue Acts of 1919, 1921, 1924, 1926, 1928, 1932, 1934, 1936, 1938, tax regulations from some of the aforementioned years, a mind-blowing 31 page “secret” memorandum written in 1945 later declassified regarding the history of the “Bureau of Internal Revenue” (which is the earlier name of the agency we know today as the “IRS”), the entire 1939 Internal Revenue Code, the entire 1954 Internal Revenue Code (prepared by the Joint Committee on Taxation in 1992). Many of these documents were created in word-searchable format so you can search for any specific word you can think of. It would take hundreds of hours to create such a resource from scratch and Larry's hard work has saved us from doing so.

As Larry told my listeners the last time he was on the show, it is critical for Americans to learn more about what the tax laws actually say – what the tax laws said in 1913 when the contemporary income tax came into being and what the tax laws have said ever since then, all the way up to the present day. I will send a copy of this CD-ROM as a free gift to anyone who donates at least \$20 to my efforts. Checks made payable to “Joseph Banister” are welcomed but those who wish to maximize their privacy may wish to send cash or a blank money order. The mailing address is Joseph Banister, 1805 N. Carson Street, Carson City, Nevada 89701. Be sure to make it clear in your correspondence that you would like the CD-ROM gift.

As a reminder, the “We The People Radio Network” ( [www.wtprn.com](http://www.wtprn.com) ), that had broadcasted my Freedom Above Fortune Radio Show since its debut, has terminated its operations. Fortunately, 2008 archives of the show will be temporarily available at <http://mp3.wtprn.com/Banister08.html> and 2007 shows will be temporarily available at <http://mp3.wtprn.com/Banister07.html> . There is already a sizeable group of fascinating guests and information archived. Archives of the previous shows broadcasted by the We The People Radio Network will be available free of charge for an unspecified period so if you are interested in any of these shows you should act fast and download them. Please also encourage others to download and listen.

-My sincere thanks to those who have prayed for the success of our efforts and/or contributed to my legal defense fund. Your continued support is enabling me to illustrate, in detail and in a very public manner, that the IRS does not prevail against citizens because the agency adheres to the rule of law, but that the IRS prevails against citizens because the agency ignores the law, twists the meaning of the law, and overwhelms the citizen with economic and legal burdens. In a school yard, such tactics are called "BULLYING". In a government setting, such tactics are called "TYRANNY". This effort is the equivalent of ganging up on the bully and sending him to reform school where he belongs.

II Chronicles 7:14:

And my people, upon whom my name is called, being converted, shall make supplication to me, and seek out my face, and do penance for their most wicked ways: then will I hear from heaven, and will forgive their sin and will heal their land.

George Orwell, 1984:

"You are a slow learner, Winston," said O'Brien gently.  
"How can I help it?" he blubbered. "How can I help seeing what is in front of my eyes? Two and two are four."  
"Sometimes, Winston. Sometimes they are five. Sometimes they are three.  
Sometimes they are all of them at once. You must try harder. It is not easy to become sane."
