Subject: FW: [New post] Daines Bill Hurts Farmers, Ranchers, and the Future

Dear Montana US Representative Gianforte and Senator Daines:

Please read the latest report from Dr. Kate via Western Montana Water Rights below.

- Also review my history of the CSKT resource taking process on my web site – Link below.
 - <http://www.freedomforallseasons.org/FreedomFromWaterTakings.asp>
 - Read Section 1, Blocks 1 thru 21.
 - We need to stop sucking up to the tribes and set them all free from this nonsense of subsidizing political pandering.
 - The BIA Swamp needs to be drained and disbanded,
 - The reservation concept was never meant to be permanent.
 - You have to let these people go free before you enslave us all by forcing them to become more dysfunctional than they already are.
 - Polson/Lake County put out a vote on a bond to fund a new justice center, my wife and I voted NO.
 - The rumor is that this facility was mainly to handle all the tribal cases,
 - i.e. the tribes are out of control and no amount of CSKT or subsidies or legislation is going to change them.
 - They need to assimilate and be left to their own demise.
 - 80% of the tribes have already left the reservations, they were the functional ones, I would guess.
 - All this political pandering to the tribes is only giving more power to a elite tribal few who are abusing it.
 - Read Elaine Willman MPA two books and read my research linked above.
 - Wake UP!

Sincerely,

Jack Venrick
