Next stop for the CRASH COURSE ON MONEY is Seattle

It will be held on December 5 at the Marriott Waterfront, 2100 Alaskan Way, Seattle, WA 98121.

Our seminar in New York on November 21 was a great success and, judging by the comments from those who attended, we are on the right track. One lady even said that the seminar "rocks." I'm not sure what that means, but I think it is a compliment. (You can see her make that comment in the collection of short video clips, below.)

If you have been thinking about attending future events, the dates are rapidly approaching. For those who are not familiar with the content of the seminar, here is the basic information and a link to more information.
