**"History records that** money changers have used every form of abuse, intrigue, deceit, and violent means possible to maintain their control over governments by controlling money and its issuance."  
**President, James Madison**

**WHAT YOU MUST KNOW ABOUT**

## **BANKING HISTORY**

### **THE FEDERAL RESERVE SYSTEM IS PRIVATELY OWNED**

Our **banking history** is filled with deception, fraud, larceny and treason. To understand the problem of how modern, deceptive banking policy adversely affects every American citizen and is, indeed, antithetical to our great Republic, we must begin with an examination of the historical evolution of the privately owned central banking system. A cursory exploration of this system reveals that from its very inception it, by design, undermines political will and insures a lifetime of feudal-like, debt-based enslavement.
