Subject: The Future of Northwest Hydropower - Jack's Response to His Electric Coop Alert on the Breaching of 4 Hydroelectric Dams on the Snake River in SE Washington.

My rural electric cooperative, Flathead Electric Coop of Kalispell, Montana has appealed to their members to speak up and support hydroelectric power in the Northwest....

- Because at least 4 dams are under attack by environmental extremists on the Snake River in SE Washington.
- I have spent 18 years of my life documenting these takings and trying to enlighten myself and others.
- Please read this research report (link below) to comprehend how your individual power, your electrical power & all resources given to US are increasingly taken offline by a web of deception.
