Lysander Spooner came from the flinty farmland of rural New England. He was born January 19, 1808, on his father's farm near Athol, Massachusetts, the second child and second son in a family of six sons and three daughters

[Chapter II](#)

America boomed during the 1830's as canals opened vast new areas for settlement. Utica, Rochester, and Buffalo led the expansion along the Erie Canal which, when finished in 1825, connected Lake Erie with the Atlantic Ocean...

[Chapter III](#)

How did it happen, Lysander Spooner wondered, that the country had been so financially exuberant in 1836, and almost bankrupt by 1840?

[Chapter IV](#)

Sorely disappointed by his Ohio Prospects, Lysander Spooner sought out another avenue to wealth and freedom in the heart of America's expansive business world...

[Chapter V](#)

After his post office venture failed, Lysander Spooner returned to the family farm in Athol, where he took up the question of slavery...

[Chapter VI](#)

Before all else, Lysander Spooner remained a lawyer...

[Chapter VII](#)

Having presented ideas on banking, slavery, and the law, Spooner still remained poor, continuously threatened with poverty...

[Chapter VIII](#)

With the end of the Civil War, America passed over a great watershed...

In 1881, Daniel McFarland, Spooner's friend, wrote how "painfully sorrowful and maddening, Lysander, to reflect that you, who have worked so hard and given so much valuable thought to the world, have been kept in poverty..."

Do you agree with Spooner

http://www.lysanderspooner.org/bib_poll.htm

I want to readdress this enigmatic man and subject which has been brought up before, by one of our more studied property owners, who is a hero to many of us and who shall remain unnamed for his own

protection.

At first glance one will think the above online poll question and answer is insane and not true. How can this revered document be without authority? Spooner must be mad or his purpose a farce. Then again, does this document have any authority over your unalienable rights?

If you get far enough into the essay below, you will read the confession of the author of this article. The question each of us has to pose to ourselves is, who exactly is insane here.

In order to understand "who we the people are not", and what Spooner meant regarding the Constitution is without Authority, ponder the following:

- you may have to drop your constitutional preconceptions and
- what you have been taught about the Constitution and
- what you want to believe,
- you may have to bend your mind,
- if only for a short time.
 - "Freedom is just another word for nothing left to lose, Nothing don't mean nothing honey if it ain't free. Yeah, an' feeling good was easy, lord, bobby sang the blues, You know feeling good was good enough for me, hmm mm, Good enough for me and my bobby mcgee." Janis Joplin - Me & Bobbi McGee

1. Start by reading the article below "Who We the People are not".

2. Then read this precedence setting case "Barron v. Mayor & City Council of Baltimore, 32 U.S. 243 (1833)

- ***which determines that "The People" does not include you and me.***

- <http://www.constitution.org/ussc/032-243a.htm>

3. Then go to one or all of these links

- 20 things you "don't" want to know - <http://www.indybay.org/newsitems/2007/11/15/18461412.1>
- Could This Be True - <http://www.rumormillnews.com/cgi-bin/forum.cgi?noframes;read=119955>
- The Greatest Hoax - <http://www.sweetliberty.org/issues/hoax/whoowns.html>

4. Then read Lysander Spooner's work on "The Constitution of No Authority" link below, if you have not already.

- This is a master piece regarding the sovereignty and free nature of man
- Beyond what most of us can imagine let alone believe
- The constitution binds only the government
- Nothing can bind a natural born free state Citizen without your own express uncoerced agreement
- Nothing can trump your unalienable rights
- You may have to reread Spooner's works many times to get it
- You may have to put it down and reread it later
- You may have to wait until you are in the mood to understand.....
- What exactly does it mean to be free
- http://www.lysanderspooner.org/bib_poll.htm

5. Then go here <http://www.lysanderspooner.org/> and answer the poll question for yourself.

- You must decide for yourself what authority can take away any of your God given, natural unalienable rights.
- Does a constitution or any piece of paper or body of people have the authority to take your bundle of unalienable rights?
- Perhaps the role of government is to ONLY protect your

unalienable rights

- How do you suppose our government has turned all of this upside down and backwards?
- Rhetorical question, talk to yourself as necessary

6. If you need further study to determine how you are being taken, you may study yourself free via these sites.

The following paragraphs are based on the research of Stephen Ames, to explain the Hidden Truth of exactly why the American Constitution came into being.

On September 17, 1787 twelve State delegates approved the Constitution for the united States of America, and the States became the Constitutors. What is the legal definition of the term, "constitutor?" A Constitutor: In the civil law, one who, by simple agreement, becomes responsible for the payment of another's debt. (Blacks Law Dictionary 6th Ed.) The States were now liable for the United States debt owed to the King of England, but the people of America were not yet liable, because they were not a party to the Constitution since it was never put to them for a vote. On August 4, 1790 an Act was passed that, for all intents and purposes abolished the States and created Federal Districts. In this Act each District was assigned a portion of the debt. Then the states reorganized their governments, which had to be done because the States needed to "legally" (under men's laws) transfer the bonded obligation for debt repayment from the states to the people. The original State Constitutions were never submitted to the people for a vote, so the governments wrote new constitutions and submitted them to the people for a vote, thereby binding the people to the debts owed to Great Britain. Once again, deception is used to get the people to unknowingly volunteer into bondage.

Here is the shocking truth about the American constitution, and it is the unkindest cut of all. After spending all that time, effort, and resources attempting to secure your rights and freedoms under the man-made constitution, the bottom line at the end of the day is: YOU ARE NOT EVEN A PARTY TO THE CONSTITUTION! It is a contract between: the States, the founders (through their insider legal establishments of those incorporated States), and the king of England. The constitution itself was not signed by any human, it was only signed "In witness" on behalf of the States. Since you are not a party to that contract, then you can't possibly have ANY rights under that contract. This, and ALL constitutions are just part of the elaborate CON by the Hidden Hand. Think about it, just exactly WHO are the "We the People of the United States" that the constitution refers to who formed the "Union"? Most patriots jump to the conclusion that it includes every American "Sovereign" Citizen, don't they? But is that conclusion correct? Where in the document is the term defined, which could support that conclusion? It doesn't really say it anywhere, does it? This myth is what the Hidden Hand's educational system teaches, so that's a very good reason to be suspicious straight away. Once again we turn to the research of Stephen Ames, and his essay entitled "The UltimateDelusion," demonstrating the contrary, where he states:

"...Now the creditors of the United States which included the King wanted [to be] paid the Interest on the loans that were given to the United States. So Alexander Hamilton came up with the great idea of taxing alcohol. The people resisted so George Washington sent out the militia to collect the tax which they

did. This has become known as the Whiskey rebellion. It is the Militia's duty to collect taxes. How did the United States collect taxes off of the people if the people are not a party to the Constitution? I'll tell you how. The people are slaves! The United States belongs to the founding fathers, their posterity and Great Britain. America is nothing more than a Plantation. It always has been. How many times have you seen someone in court attempt to use the Constitution and then the Judge tells him he can't. It is because you are not a party to it. We are SLAVES!!!!!! If you don't believe read *Padelford, Fay & Co. vs. The Mayor and Aldermen of the City of Savannah*. 14 Georgia 438, 520 which states 'But, indeed, no private person has a right to complain, by suit in court, on the ground of a breach of the Constitution, the Constitution, it is true, is a compact but he is not a party to it.'..."

Bearing the above in mind, please read again both the Preamble to the constitution and Article 7, and you will see it in a whole different Light:

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."

"Article. VII. The Ratification of the Conventions of nine States, shall be sufficient for the Establishment of this Constitution between the States so ratifying the same.

...done in Convention by the Unanimous Consent of the States present the Seventeenth Day of September in the Year of our Lord one thousand seven hundred and Eighty seven and of the Independence of the United States of America the Twelfth. In witness whereof We have hereunto subscribed our Names, ...In Convention Monday, September 17th 1787. Present The States (note well: NOT the human "signers"/witnesses!) of New Hampshire, Massachusetts, Connecticut, Mr. Hamilton from New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina and Georgia." (my emphasis added)

So, hopefully you see, and if you don't you aren't paying attention, that even if you were 100% successful in fully restoring your rights and freedoms under a constitution, then you have really gained nothing, you have only been conned. Since constitutions are written by the Hidden Hand to further their goals, you will have sacrificed your time, effort, relationships with family & friends, resources and maybe even your life, and will have simply gone in a circle - playing right into your enemy's hands. Constitutions are set up as a trap by your enemy, and those who reach the end of that blind alley are like Dorothy, the Scarecrow, the Tin Man, and the Cowardly Lion, searching for the mythical Wizard of Oz. At the end the only thing they find is just a man behind a curtain pushing buttons and pulling levers to create illusions of power. This "wizard" could give them nothing that they didn't already have.

"The primary control and custody of infants is with the government" Tillman V. Roberts. 108 So. 62

"Marriage is a civil contract to which there are three parties - the husband, the wife and the state." Van Koten v. Van Koten. 154 N.E. 146.

"The ultimate ownership of all property is in the State: individual so-called 'ownership" is only by virtue of Government, i.e. law amounting to mere user; and use must be in accordance with law and subordinate to the necessities of the State. Senate Document No. 43 73rd Congress 1st Session. (Brown v. Welch supra)

"The right of traffic or the transmission of property, as an absolute inalienable right, is one which has never existed since governments were instituted, and never can exist under government." Wynehamer v. The People. 13 N.Y. Rep.378, 481

"...You own no Property because you are a slave. Really you are worse off than a slave because you are also a debtor... Don't let this information alarm you because without it you cannot be free. You have to understand that all slavery and freedom originates in the mind. When your mind allows you to accept and understand that the United States, Great Britain and the Vatican are corporations which are nothing but fictional entities which have been placed into your mind, you will understand that our slavery is because we believe in fictions." - Stephen Ames.

First, the Internal Revenue Service is not a United States Government Agency, it is an Agency of the International Monetary Fund;

Second, there is no law in the United States Code requiring the vast majority of the American people to pay or file anything with the Internal Revenue Service;

Third, a 1040 form is for a payment of a debt to Great Britain;

Fourth, not one electron collected by the Internal Revenue Service goes to the United States government (The United States has not had a Treasury since 1921);

Fifth, the Internal Revenue Service does not collect money, It collects electrons. It has to collect these electrons or pretended hyperinflation would set in. The electrons collected by the Internal Revenue Service are not placed into an account, the electrons are simply deleted. People do not seem to be able to grasp that a loan is nothing more than computer key strokes. The only reason that there is interest on a pretended loan is because people might figure out what is going on, because in their minds banks make money by charging interest on loans. The reality of the situation is banks do not

make loans. Banks put electrons into circulation. People make payments in electrons on what they think is the principle plus the interest of a loan. If you want to pay the Internal revenue Service or a Bank just send them a nine volt battery and tell them to keep the change. Whether they collect electrons or not is debatable. It depends on whether or not you agree with Max Planck, because waves are particles and particles are waves. (We are told that there is not a unified theory and that physicists are searching for it, that is not true. Your entire existence, commerce, religion, reality and very thoughts can be summed up in this equation.

This equation is not a theory but a proof. The proof is:

$$1.602 \times 10^{-19} C \hat{=} E'$$

$$FT = h / E' m$$

$$h/ E' m \text{ [coupled with] } Ft = I$$

$$I \hat{=} D3$$

$$D3 = R \text{ (R being "Reality")}$$

$$eR = 0$$

Zero is the absence of quantity and a linguistic element.

To make matters even worse , when you don't pay the Internal Revenue Service or a bank, people consider you a criminal or a dead beat. You are then prosecuted by someone who is a subordinate (Pretended U.S. Attorney paid by the IMF in electrons) (JV Note: electrons = electronic transfer of debt) of the Alien Property Custodian (Pretended Attorney General of the United States, INTERPOL agent, paid in electrons by IMF). I almost forgot: You are the Alien.

Read the list below:

1. The IRS is not a U.S. Government Agency. It is an Agency of the IMF.
2. The IMF is an Agency of the UN.
3. The U.S. Has not had a Treasury since 1921.
4. The U.S. Treasury is now the IMF.
5. The Attorney General of the U.S. is not employed by the U.S. But is an Agent of INTERPOL which is head quartered in Lyons, France.
6. The United States does not have any employees.

7. Social Security Numbers are issued by the UN through the IMF.
8. There are no Judicial courts in America and there has not been since 1789. Judges do not enforce Statutes and Codes. Executive Administrators enforce Statutes and Codes.
9. There have not been any Judges in America since 1789. There have just been Administrators.
10. According to the GATT you must have a Social Security number.
11. You are an "Institutional Unit" in which your body and labor are pledged to the UN through the IMF.
12. We have One World Government, One World Law and a One World Monetary System.
13. Your Social Security number is your slave number. Just about everyone in the World has a Social Security number from the UN through the IMF.
14. The UN is a One World Super Government.
15. No one on this planet has ever been free. This planet is a Slave Colony. There has always been a One World Government. It is just that now it is much better organized and has changed its name as of 1945 to the United Nations.
16. New York City is defined in the Federal Regulations as the United Nations. Rudolph Gulliani stated on C-Span that "New York City was the capital of the World" and he was correct.
17. Social Security is not insurance or a contract, nor is there a Trust Fund.
18. Your Social Security check comes directly from the IMF which is an Agency of the UN.
19. You own no property, slaves can't own property. Read the Deed to the property that you think is yours. You are listed as a Tenant.
20. The most powerful court in America is not the United States Supreme Court but, the Supreme Court of Pennsylvania.

GUESS WHO AND WHAT OWNS YOU AND THE UNITED NATIONS ?

As a matter of fact the imagined President, imagined Representatives, imagined Senators, imagined Supreme Court Justices and imagined Federal Judges are not paid by the United States Government. Actually the United States

Government does not have any employees They are paid by the International Monetary Fund in electrons. You see there is no such thing as the United States Government. In reality there are no Governments. There are Corporations (Fictions) such as the Federal Reserve Inc., and the United States Inc., which in fact are private corporations. The United States Inc., is just a slave management company. Guess what that makes you? If you said property, you are correct! You are Human Capital. The shares that were issued for the Federal Reserve when it was created back in 1913 only cost \$100.00. That was quite the bargain.

When you see the documents for yourself, your mind will shatter into a thousand pieces. You will have to finally acknowledge that your entire life has been nothing but a hallucination. You will have to acknowledge that there is NOT, NOR HAS THERE EVER BEEN A GOVERNMENT, COUNTRIES, MONEY, OR CONSTITUTIONS. All GOVERNMENTS AND COUNTRIES ARE FABRICATED FICTIONS CLEVERLY WOVEN INTO YOUR MIND. They are fictions accepted by you because you have been lied to and poisoned your entire life.. What would you do without an external authority commanding you what to do and what not to do? Would you be lost? Did you ever think that maybe you would find yourself? I am not afraid to acknowledge that I am an incomplete 'Being in motion' searching for my reason for existing in this Petri dish commonly called Earth. The evidence in my possession cannot

be rebutted. Think twice before labeling me.

One can quickly become diagnosed mentally ill for stating the facts listed above. Most Americans want people who research and discover things such as those listed above to be locked away or murdered because it holds a mirror up to them and shows the evil that actually lurks in their hearts. That is exactly what has happened to me. Don't you want my death? The people here in Pennsylvania love death. They also want Mumia Jamal, Lisa Lambert and a host of other innocent people murdered. When federal Judge Danzell released Lisa Lambert on a Habeas Corpus the people here in Central Pennsylvania wanted Judge Danzell impeached. They want Lisa Lambert dead. Judge Danzell said that Lisa Lambert's case was the worst case that he has ever seen in the English speaking world.

Like Jim Morrison said in the film "The Doors," "Hatred is a very underestimated emotion."

I will be dead soon enough. I am living in a "madhouse" now. I have been living here for a couple of months. I am on a steady diet of Lithium, Haldol etc., which sooner or later kills you. It's not that I really want to live in this world but, the death caused by the mixture of Lithium and Haldol is a terrible form of torture. I don't like it here. I don't have anyone to talk to. I don't even have my own room. I feel so sorry for the people that live here. In my opinion not one of them is mentally ill. They all seem to be suffering from living through terrible childhoods and never having anyone in their lives who cared about or loved them. I am glad that they did allow me to bring my computer with me. So I just sit here on the floor and type away. This essay will probably never be read by anyone. It is more of a diary than an essay. I am writing it for myself and my children. I write everyday and save it on disk so that when my children grow up, they can read for themselves why their dad was locked away in a home for the Insane. I never thought that they would go this far and do this to me and rob my children of their father. But, I do the unspeakable -- I commit thought crimes.

7. Social Security Numbers are issued by the UN through the IMF. The Application for a Social Security Number is the SS5 form. The Department of the Treasury (IMF) issues the SS5 not the Social Security Administration. The new SS5 forms do not state who or what publishes them, the earlier SS5 forms state that they are Department of the Treasury forms. 32. The United States Government was not founded upon Christianity. (Treaty of Tripoli 8 Stat 154.)

33. It is not the duty of the police to protect you. Their job is to protect the Corporation and arrest code breakers. Sapp v. Tallahasee, 348 So. 2nd. 363, Reiff v. City of Philadelphia, 477 F.Supp. 1262, Lynch v. N.C. Dept of Justice 376 S.E. 2nd. 247.

34. Everything in the "United States" is For Sale: roads, bridges, schools, hospitals, water, prisons airports etc. I wonder who bought Klamath lake. Did anyone take the time to check? (Executive Order 12803)

35. We are Human capital. (Executive Order 13037)

36. The UN has financed the operations of the United States government for over 50 years and now owns every man, women and child in America. The UN also holds all of the Land in America in Fee Simple.

37. The good news is we don't have to fulfill "our" fictitious obligations. You can discharge a fictitious obligation with another's fictitious obligation.

38. The depression and World War II were a total farce. The United States and various other companies were making loans to others all over the World during the Depression. The building of Germany's infrastructure in the 1930's including the Railroads was financed by the United States. That way those who call themselves "Kings," "Prime Ministers," and "Furor," etc could sit back and play a game of chess using real people. Think of all of the Americans, Germans etc. who gave their lives thinking they were defending their Countries which didn't even exist. The millions of innocent people who died for nothing. Isn't it obvious why Switzerland is never involved in these fiascoes? That is where the "Bank of International Settlements" is located. Wars are manufactured to keep your eye

off the ball. You have to have an enemy to keep the illusion of "Government" in place.

39. The "United States" did not declare Independence from Great Britain or King George.

40. Guess who owns the UN?

The cites listed above are only the tip of the iceberg. Simple words such as "person" "citizen" "people" "or" "nation" "crime" "charge" "right" "statute" "preferred" "prefer" "constitutor" "creditor" "debtor" "debit" "discharge" "payment" "law" "United States" etc, do not mean what most of us think because we were never taught the legal definitions of the proceeding words. The illusion is much larger than what is cited above.

There is no use in asking an Attorney about any of the above because: His first duty is to the courts...not to the client. U.S.v Franks D.C.N.J. 53F.2d 128. Clients are also called "wards of the court" in regard to their relationship with their attorneys. Spilker v. Hankin, 158 F.2d 35, 58U.S.App.D.C. 206. Wards of court. Infants and persons of unsound mind. Davis Committee v. Loney, 290 Ky. 644, 162 S.W.2d 189, 190. Did you get that? An Attorney's first duty is not to you and when you have an Attorney you are either considered insane or an infant.

Stephen Ames is a History and Legal researcher, poet, philosopher, mathematician and an "Enemy of the State" for 20 of his 34 years. Although his deepest interest is in the Psychology of crowds and general beliefs, Law is a close second. Stephen's essays on Law are the work of true genius.
