

Resolution to Protect and Preserve the Welfare and Rights of Stevens County Residents

Whereas: The residents, their welfare, and rights are the paramount concern of the County Commission and

Whereas: The goal of the United Nations is a global government under a centralized governing body and

Whereas: That governing body is under the many facets and administration of the United Nations and currently exists in the form of Watershed Planning, Agenda21, Growth Management, and other agencies and

Whereas: These agencies and their various forms are currently operating in Stevens County and

Whereas: These agencies manifest policies that are contradictory to our Constitutionally enumerated God-given rights including but not limited to the rights to: Life, Liberty, and Pursuit of Happiness and

Whereas: These United Nations outposts were instituted without consent of the affected and

Whereas: These institutions are engaged in the usurpation of our Constitutional rights as an unelected Foreign Government and

Whereas: Such governance by unelected Foreign Governments is contradictory to the Constitution of the State of Washington and the Constitution of the United States and

Whereas: These agencies and their policies are detrimental to our way of life, our acts of commerce, our right to self determination, our rights to use our property as we see fit and come at great cost in terms of lost personal revenue and loss of tax revenues and

Whereas: We as residents of Stevens County intend to exercise our Constitutional rights and God-given rights without foreign intervention and without harassment from unelected entities and

Whereas: We do not see that the United Nations has any right or aegis to exercise such limitations and restrictions upon the residents of Stevens County under the laws of our land

Therefore: We reject any governance by any foreign government, we reject any expenses or loss of income incurred due to policies of unelected foreign governments, and do not believe that we need to look to the United Nations for direction or protection for any reason.

Be it resolved: The County Commission hereby bars any Foreign Government from usurping the rights of its citizens now and in the future.

Be It Resolved: We, the County Commission hereby reject the United Nations' attempts to regulate and administrate any functions of the government of Stevens County and its citizens.

Be It Resolved: We the County Commission hereby bar any funding for any Foreign Government in general and the United Nations in particular now and in the future.

Be It Resolved: Any agency or project currently being funded by the tax revenues of the citizens of Stevens County immediately cease and desist all actions.

Be It Resolved: That any such agency or project withdraw all fines, assessments, and restrictions imposed, and remove themselves from the boundaries of Stevens County.

Be It Resolved: Any legal or court actions now under way by any foreign government in general or the United Nations and its affiliates in particular be withdrawn immediately.

Be It Resolved: That any property taken under color of law by any usurpatious foreign government in general and the United Nations and or its affiliates in particular immediately be restored to their rightful owners in full and compensation given for the time of inconvenience or be fined \$1,000,000.00 dollars per day until such reconveyance is completed.

Be It Resolved: That if any agency of any foreign government in general and the United Nations and its affiliates in particular attempt to ignore or disregard this resolution in part or whole, they will be jailed in contempt and fined \$1,000,000.00 per day until they restore the rights and property of the affected.
