Subject: **IT'S ALL A LIE -**

- **How The System is Fixed to Take Your Property While YOU Sleep**
- **“Sleep” = “I don’t have the time”, “There is nothing I can do”, “I don’t care”, “It’s not my problem”, “Someone else is fighting this battle for me”, “You are paranoid Jack” this will never happen”, “I have bigger fish to fry”, ad infinitum.**

The following are notes and material I have found this year worthy of sharing in quest for further awakening of our consciousness to manifest positive changes in the nation.

1. This research further exposes the nature of the how our system is fixed.
2. My Grandfather wrote about the Illuminati this in the 1950’s and his son, my uncle, related this to me during my growing years.
3. What we now know far exceeds what our parents and grandparents knew.
4. The system of global to local shadow control is more widely known.
5. Now there is a quickening of the awakening.

1) This is Praying Medic’s Spygate Update - May 14, 2019 well worth watching (47 minutes).

- a. <https://www.youtube.com/watch?v=BHjeCE-7Bd4>
- b. Here are some of my notes.
 - i. At 21:38 min. he talks about how difficult it is to arrest a crime syndicate.
 - ii. You have to indict all of them and then arrest all of them at once.
 - iii. It is going to take time.

- c. The CIA is too corrupt to fix and is being dismantled and passed to the NSA which is controlled by the military.
- d. My opinion is all of the government serial agencies are the same way, e.g. DOI, IRS, FBI, Dept. of Education, Dept. of Energy, DOJ, FDA, et al.

2) Check out the Deep State Mapping Project.

- a. <https://www.dylanlouismonroe.com/q-web.html>
- b. Scroll down through this web page to see the various Q-Web maps he has created.
- c. Print them out to study.
- d. He is not affiliated with the Trump Q Team but has received recognition from QAnon that he is about 50% complete in his work.
- e. This gives Dylan Monroe and his work much credibility, remember this when you see him on YouTube, he is your typical wild looking artist/illustrator.
- f. Also check out “Through The Looking Glass” site which is linked up on the Deep State Mapping Project.
 - i. <https://throughthelookingglassnews.wordpress.com/2017/11/24/q-anon-learn-to-read-the-map/>
- g. There is more discovery and disclosure on who is gaming the global to local systems taking away our freedoms, liberty & unalienable rights.

3) DeWeese Report Spring 2019 has a great article on “The Growing Assault on Private Property Are Single Family Homes “Racist?”

- a. <https://americanpolicy.org/2019/03/07/the-growing-assault-on-private-property-are-single-family-homes-racist/>

4) The Pacification of Humanity – Exposing the Ideological Contagions by Emmanuel S. John

- a. I ran across the works of Mr. E. S. John and was so impressed to include him in this research report.
- b. Here is his web site although it seems to focus primarily on his new book - <http://thepacificationofhumanity.com/>
- c. I just received his book in a 265 page paperback. It is exceptional and a must read for all who want to more fully understand how the system is fixed.

- i. I like his topic sentence in his Introduction: “Human interaction has been infected by out of control ideology; aligned by people who will do anything to perpetuate their selfish agendas.”
 - ii. I like his dedication: “This book is dedicated to every single man and woman who has dedicated their lives in the defense of our freedoms.”
- d. His book does not include the political wisdom captions below which are profound; I stumbled on them at Pinerest with a search of his book title.
- i. <https://www.pinterest.com/addictionsucks/the-pacification-of-humanity/>
 - ii. However, the site is demanding and wants you to log in to their favorite liberal social media to view.
 - iii. So I grabbed what I could before the demands.
 - 1. Many of the illustrations are so small it is hard to read so skip over what you can't see, there is more clearly readable material.
 - 2. <https://www.dropbox.com/s/d9l3ue469bxy1b0/The%20Pacifaton%20of%20Humanity.docx?dl=0>

5) Our Republic individual free choice has been turned upside down by those who profit from power, wealth and shear ignorance subverting this divine bestowal.

1. Rule by consensus,
2. Rule by forced tax taking,
3. Rule by forced regulation,
4. Rule by the allowance of usury.
5. Rule by force,
6. Rule by lies, creating scandal and spying on opponents,
7. Rule by not reading the bills but passing them for political favors,
8. Rule by ignoring the fundamental charters and actions of our land,
 - a. e.g. LONANG & the first American Revolution ignited by British over control & tax tyranny.
9. Ruling by tyranny does not work because:

- a. There is no direct consent from the sovereign state Citizens while pretending elections and “representation” works.
- b. Rule by not vetting the legislation immediately to the applicable state and USA constitutions.
- c. Resulting in a constant state of escalating assault on sovereign state Citizens private property, wages, pensions and traditional life style!

10. These are my personal notes FYI.

6) **Print this 32 page report out linked below, “The Right to Alter or Abolish the Government”.**

- a. This is profound and right on!
- b. The report is published by the Lonang Institute, and written by Gerald R. Thompson.
- c. <https://lonang.com/commentaries/foundation/right-to-alter-or-abolish-government/>
- d. LONANG = Laws of Nature and Natures God
- e. Here are a few of Mr. G. R. Thompson’s better statements.
 - i. “The American Revolution also illustrates the truth that no government official ever views an attempt to overthrow his position as lawful in his own mind, no matter how lawfully it may be regarded in the minds of the people who want him removed.”
 - ii. “From the vantage point of those employed in government service (politicians, career bureaucrats, civil service workers, etc.), there is little difference between foreign attacks, domestic insurrection and lawful attempts to alter or abolish.....The response of government employees to all outside agents is the same – eliminate and crush all threats to **their jobs**. **Keeping their jobs is more important than anything else.**

7) **View this 19 minute YouTube presentation - “How the blockchain is changing money and business by Don Tapscott**

- a. Regarding replacing the money brokers.
- b. Mr. Tapscott also states that 70% of the world land owners have a tenuous title.
- c. His solution is to put land titles on the block chain.

d. <https://www.youtube.com/watch?v=Pl8OlkkwRpc>

8) Globalization of California by Michael Shaw, i.e. Regionalism – the Blueprint for Your Serfdom

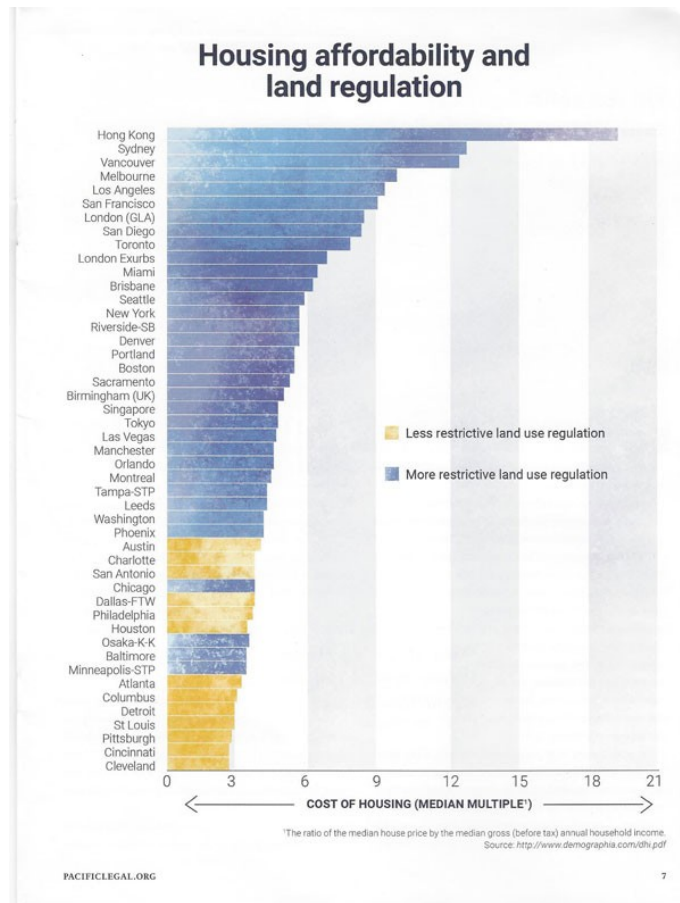

- a. Michael Shaw is the property rights Godfather, if you will, on shadow government techniques used to fix the system.
 - i. Here is a how they are doing it in California and just about every state where shadow government creeps in.
 - 1. California Councils of Governments and American Regionalism Plan
 - a. Implement a step by step approach to abolish private property.
 - b. Promote relocation of people from rural areas to Smart Growth urban centers; and
 - c. Conscript public and private partners and mandatory volunteers.
- b. To understand how globalism creeps in check Michael Shaw's web site - <https://globalizationofcalifornia.com/>
 - i. It is highly probably this regional communism is in your state already and you may not have a clue.
- c. California is the targeted globalist Sovereign state to be broken.

9) New Study finds 98% of FDA rules over 17 years are unconstitutional

- i. <https://pacificlegal.org/press-release/new-study-finds-98-of-fda-rules-over-17-years-are-unconstitutional/>
- ii. Make housing legal again: Sword & Scales spring 2019 - <https://pacificlegal.org/make-housing-legal-again-sword-scales-spring-2019/>
- iii. See graph below and on Page 7 of above PDF.
- iv. This problem exists because legislation is not vetted with the U.S. and State constitutions and the state Citizens BEFORE they are passed.

10) **Housing affordability and land regulation by Pacific Legal Foundation**

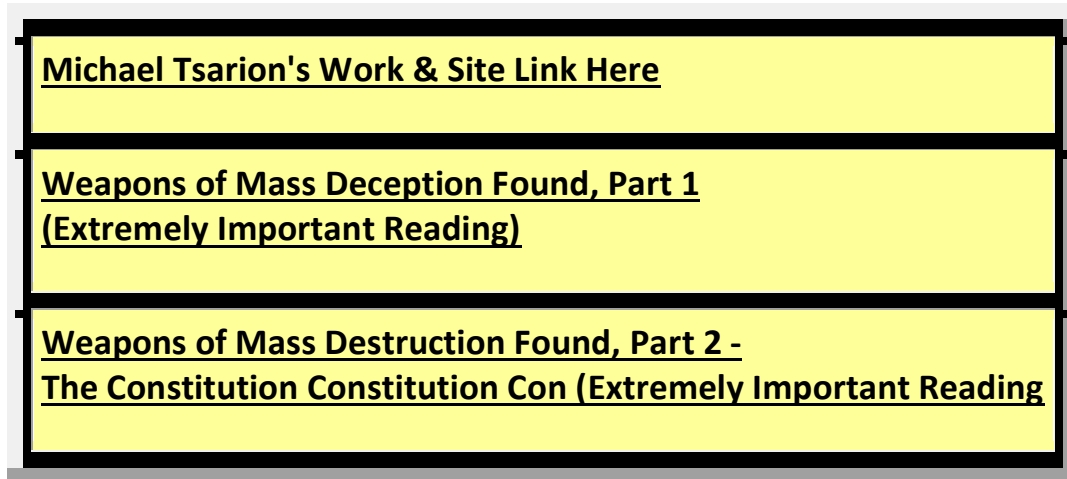

- i. See bar chart below and on Page 7 of PLF Sword & Scales.
- ii. Link here for 15 page report - <https://pacificlegal.org/make-housing-legal-again-sword-scales-spring-2019/>
- iii. Also read “Why no city wants to be Seattle”, Page 12!
- iv. Tip – It is best to download and save this report to your computer when you link to it and then open it and read as normal. Right click on the photo of houses in a row (in above link) and click on “Save target as”, 4th option down on list. Then go to the file where you saved it too and open and read as normal.

11) **Weapons of Mass Destruction Found – An Address to the Dead**

- a. The following links to Part 1 and Part 2 of Michael Tsarion are beyond profound! This is 78 pages for your personal printing and reading as there may be copyright restrictions?

- b. This is old information I stumbled on and printed out in 2010 and linked up in my web site. I printed Part 1 & 2 out and put into a three ring binder to read.
- c. I bound the material in a www.smead.com 3 hole binder, also ACCO makes the same.
- d. Parts 1 & 2 are worthy to pass on to family and friends as presents.
- e. This is “Shock and Awe” material channeled by God/Spirit.

- b) Who cares more about OUR public lands, the feds or the state or the PEOPLE, this is the key question?

14) **View this YouTube - “Montana Glacier Refusing to Cooperate” by www.realclimatescience.com.**

- a) Link below to see how NOAA, US Geological Service and other “experts” get it wrong.
- b) Gee maybe they are tampering with the data because they are biased.
