**Subject: Too Much Power in the Hands of a Few**

**I. The foundation of free choice in America is systematically being dismantled at all levels!**

- And this is being done under our noses.
  - All while the vast majority of Americans do not have a clue or care.
  - With the remaining minority of the population who are aware of the vultures circling, refuse to fight.
  - These people will tell you they have “good” reasons for not fighting.

**II. Too Much Power in the Hands of a Few.**

- American Individual Free Choice has long been co-opted and now approaching extinction.
- The controlling political parties, Deep State, Transnational corporate globalists, UN and et al have taken power from the individual state sovereign Citizens,
- We are ruled by political and urban majorities, NGO’s, foreign bodies, our own intelligence agencies and serial government agencies.

- Rule by “Consent of the Govern” and vetting with the applicable state constitution AND the U.S. Constitution has been choked off.
- Read some examples below.

### **III. Important News and Sources to Share with You**

#### **1. Montanan’s continue to battle for their lives and traditions with American Prairie Reserve and World Wildlife Fund, et al.**

- Link here and subscribe to United Property Owners of Montana by entering your email at the bottom of their web site - <http://upom.org/>
- Download, print out and hand out Save the Cowboy brochure - <http://upom.org/wp-content/uploads/Save-the-Cowboy-pamphlet.pdf>
- See what American Policy Center have to say about the World Wildlife Fund, National Cattlemen’s Beef Assoc., American beef industry
  - a) **“Their selected tactic is to control the land, water, energy, and population of the Earth” – Quote from Tom DeWeese, see article link below.**

## **2. This Montana cowboy/engineer has finally qualified to be on the list of engineers for AE911Truth.**

- Thank you fellow engineer Herb for persisting to call and welcome to Freedom For All Seasons occasional property rights research.
- AE911Truth is moving to expose the truth to the public.
  1. There are 3001 Architects & Engineers and 22,139 members of the public.
  2. Architects & Engineers for 9/11 Truth are pushing to reopen the 9/11 Investigation.
  3. First responders are urging Congress to reopen 9/11 Investigation.
  4. University study refutes official Building 7 report.
  5. 3 to 1 majority who see WTC 7 collapse support new inquiry.
  6. Sign the AE911 petition for a truly independent investigation with subpoena power below.

➤ <https://www.ae911truth.org/>

- These public officials have no technical expertise and only a big agenda to cover up this intentional implosion.
- Too much power was given to a few public officials and non engineers who reviewed this intentional WTC implosion.

## **3. Check out this YouTube video documentary “The Dark Ages Documentary by Fire of Learning**

- One quote from this history documentary even the “The politicians were out of touch” back in the dark ages.
  - a) Which proves nothing changes under the sun.
  - b) i.e. the insanity continues within a Republic pretending to be representative.
- <https://www.youtube.com/watch?v=nUfnqqr1oGk> (1:19 hours)
- Even in the Dark Ages, too much power was given/taken by a few.

#### **4. Why isn't Washington State representatives and senators doing what Tim Eyman is? (the initiative King)**

- a) Why are the Washington AG and the state increasingly targeting Tim Eyman?
- b) This question leads to the next, why doesn't every state allow the referendum and initiative process?
- c) These rhetorical questions lead you further down the rabbit hole.
- d) Why don't all state and federal representatives and senators require "consent of the govern FIRST before they write and vote on legislation?
- e) Why don't representatives and senators vet their bills with their State and U.S. constitution's FIRST?
- f) Why don't they read the entire bill?
- g) And the answer is, the politicians and their benefactors do not want the sovereign state Citizens to control anything.
- h) In other words, there is too much power in too few hands!

#### **5. The Depth of Treason is Unimaginable – see Q extract below**

- **Steel Industry**

- “The Obama administration oversaw the deliberate weakening of the US steel industry and our domestic capacity to produce steel that is crucial to our military and infrastructure. Furthermore, steel sourced from foreign countries for military-grade projects was made inferior by our enemies as a method to weaken our military vehicles.
- **The depths of their TREASON are unimaginable.”**
- <https://www.qmap.pub/themes>
- USA Steel prices have increased so much the cost to buy a propane tank has gone way up.
  1. Looking at World steel prices, USA is the highest.
- Too much power in the hands of a few, you think?

## **6. “Big Agenda” – President Trump’s Plan to Save America by David Horowitz – Get This Book**

- I just finished this book and highly recommend it.
- [https://www.amazon.com/Big-Agenda-President-Trump%C2%92s-America/dp/1630060879/ref=sr\\_1\\_1?crid=396Z4L70PRQ80&keywords=big+agenda+president+trump+s+plan+to+save+america&qid=1574021184&sprefix=%22big+agenda%2Caps%2C253&sr=8-1](https://www.amazon.com/Big-Agenda-President-Trump%C2%92s-America/dp/1630060879/ref=sr_1_1?crid=396Z4L70PRQ80&keywords=big+agenda+president+trump+s+plan+to+save+america&qid=1574021184&sprefix=%22big+agenda%2Caps%2C253&sr=8-1)
- Check out page 119 regarding George Soros’s Open Society Foundation AND the Ford Foundation,
  1. i.e. left wing funding organizations overwhelm conservative funding orgs.
  2. You have to ask yourself, why does the left have so much more funding and
  3. Based on the last vote why does the left have the majority of American voters to throw at elections?
  4. Why are the liberal states working to get rid of the electoral formula.
  5. Will we have another miracle in 2020?

**7. City of Boulder, CO City Council bans most popular/widely owned firearms and magazines in Colorado and U.S. while raising legal age from 18 to 21.**

- <https://mslegal.org/cases/caldara-v-city-of-boulder/>
- Boggles the mind what a mere muni council can do without direct consent from their sovereign state Citizen & w/o vetting with their own state Constitution.
- Maybe too much power in the hands of a few?

**8. Hillsdale College – Why and How the U.S. Should Stop Financing China’s Bad Actors – check out this great speech, link below.**

- <https://imprimis.hillsdale.edu/>
- This will give you a peek at the creeping and creepy globalist game.
- Also check “Clarence Thomas and the Lost Constitution” by Myron Magnet in the next speech down link above.
  1. i.e. not vetting with the constitution.
- Good News – I have seen Hillsdale College Imprimis newsletter go from some 100,000 some to now 4.7 million readers monthly!
  1. This is the ONLY unsubsidized non government college in America.
- Raises the rhetorical question, why there is only one unsubsidized college in America does it not?
- Why is so much tax money and power given to public colleges and universities who are primarily run by the liberals?
- Too much power in the hands of a few, right?

**9. Subscribe to Media Research Center to profile the media liars**

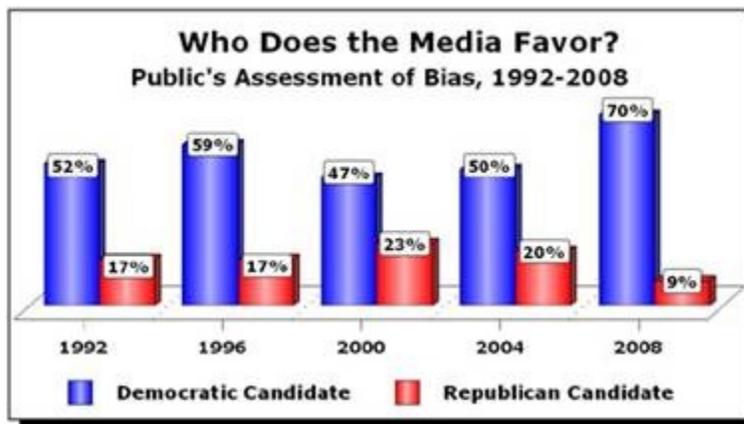

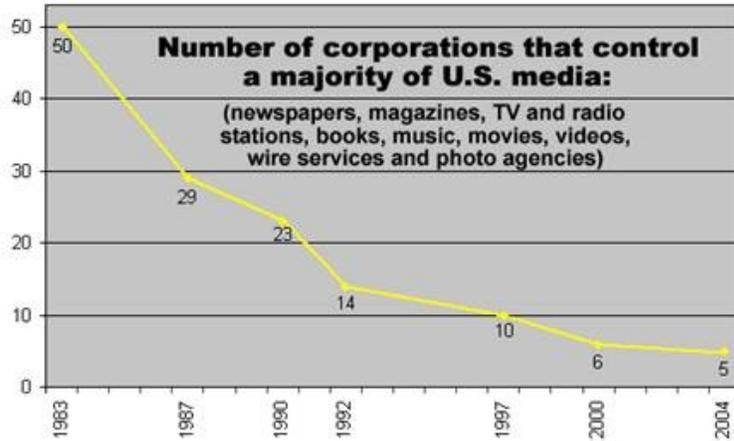

- <https://www.mrc.org/newsletter/preferences>
- Brent Bozell, who started MRC, will show you who is who in the mainstream media zoo.
- Social media is filtering all data to you, i.e. it is filtering out conservative.
- i.e. too much power in the media zoo and in the hands of a few.

### [What Happens When 90% of the Media Is Controlled/Owned by \(6\) Corporations?](#)

○

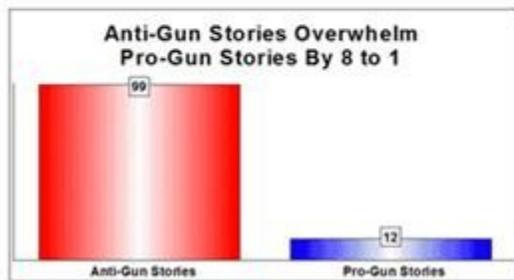

Fact: The Media Distort the Truth

### THE MEDIA ARE PUPPETS FOR THE LEFT'S RADICAL AGENDA

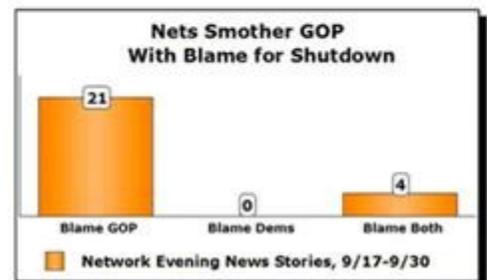

According to a Pew study, 82 percent of Americans agree that there is at least some bias in news coverage—and they agree it is more of a liberal bias than conservative.

That is why the Media Research Center exists—to make sure that TRUTH is reported and that the media's overwhelmingly liberal bias is neutralized.

Just look at some of these examples from this past year!

Number of anti-gun stories versus pro-gun stories on ABC, CBS & NBC evening and morning shows aired from December 14, 2012 through January 17, 2013.

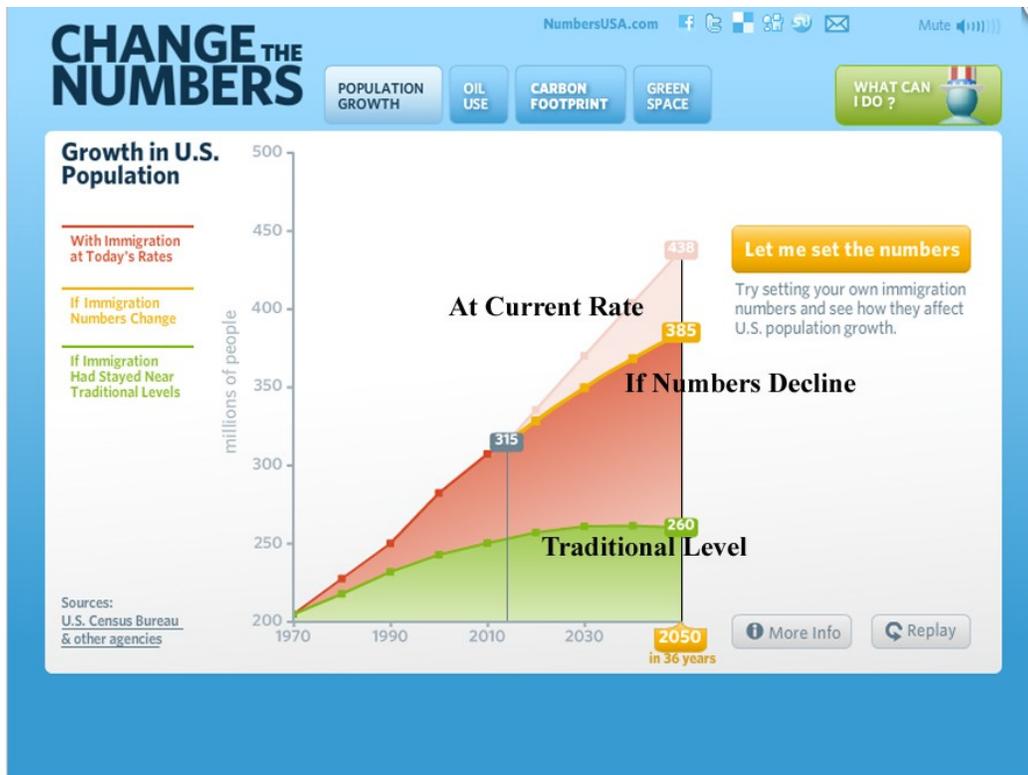

## **10. Good News - QANON IS BACK ON after 90 days absence**

- <https://www.qmap.pub/>
- **Follow the Q Drops and learn the big picture being played for whose hands will control the power.**
- Also click on each symbolic character in the left hand column and study the contents.
- Check out the headlines of Q's posts and stay current.
- Especially check out the Players (Chess pawns), Notable Deaths (Skull), Resignations (head and shoulders) and Sealed Cases (Legal scales).
- Follow The Praying Medic who is the best and most honest reporter of QANON I have found.
  - <https://prayingmedic.com/>
  - MUST See – Qanon November 24 – The Great Awakening - <https://prayingmedic.com/category/qanon/>
  - 7:20 minutes into the above video the Praying Medic will start on the core title subject “The Great Awakening”.
  - You must watch this to fully comprehend how much power is being taken from you in the hands of a few.
  - TIP – When you click into the above Praying Medic site, YOU MUST THEN CLICK ON “All Q Anon Posts” (second hot title down on web page) to see latest.
- There are just too many significant synchronistic events between what Q is saying and doing and President Trump.
- If Q is fake and a false flag, the leftist media would not be spending so much time and resources trying to slander the Qanon cause.

## **11. Add Shadow Stats to your favorite browsing.**

- <http://www.shadowstats.com/>
- I have long monitored this site because it appears to have no political agenda.
- Check out the “Alternate Data” tab -  
[http://www.shadowstats.com/alternate\\_data](http://www.shadowstats.com/alternate_data)
  - Here you can see at a glance what is more truthfully going on with inflation, money supply, GDP, unemployment and the dollar e.g.
    - Real unemployment is 20% vs. official lie of 5% for 2019.
    - Real inflation is about 6% vs. the official lie of 2%.
    - Real GDP Annual Growth is -2% vs. the official lie of +2%.
- Government has corrupted the economic stats,
- i.e. too much power in the hands of a few plus an agenda.
- Why are they so afraid to tell you the truth? Rhetorical question.

## **12. Look at the illegal immigration and the abominable out sourcing of our American jobs and resources.**

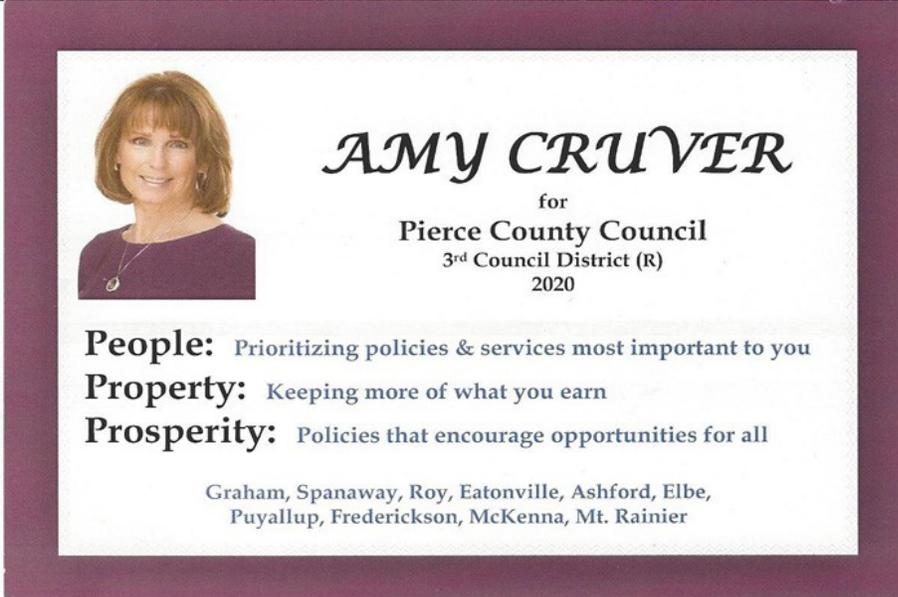

- Click on graph to link to NumbersUSA to change and model you own estimates.
- It should be obvious that intentionally not securing American borders allows more power to flow into the hands of a few.
  - e.g. transnational corporations, globalist, UN Agenda 21/2030, NGO's, government politicians, intelligence agencies, etc.
    - <https://www.numbersusa.com/>
    - Join NumbersUSA and fight for your freedom.
    - Those who profit from open borders are the same groups taking everything we own.
    - Too much power in the hands of a few may start to make sense?

**13. Washington Property Owners - please respond to Tim Eyman's email - link below**

- <https://permanentoffense.com/absolutely-critical-all-of-us-send-emails-to-these-county-officials-tell-them-to-protect-our-vote-for-i-976-tell-them-to-help-the-people-theyre-elected-to-serve/>
- Use Tim Eyman's email list in above link to send emails to these county officials and tell them to protect the Washington state Citizens vote for I-976.
- Yes the Crazy Washington state Tax Takers socialists will even conspire to undermine an initiative passed by the sovereign state Citizens.
  - Can you believe it?
- Too much power in the hands of a few.

*Amy Cruver*, a small town girl and resident of Pierce County since 1985, moved to the 3<sup>rd</sup> Council District in 1998. She is married to Dave, a self-employed contractor. They are parents of 2 young men, Keaton & Corbett, who are currently employed in the trades.

In the mid 1990's, Amy became interested in her government as she noticed how interested it was becoming in her. In 2005, after working 38 years in the private sector, she secured a position as a legislative assistant. After 7 years with the state, she moved to the County as a council assistant, furthering her passion for promoting responsible government. With 14 years of "behind the scenes" working on policies with law-makers and constituents, Amy is now seeking your support to use that experience and passion to serve as your next Pierce County Council representative.

Amy wants to know what you seek from your county government. Please share your thoughts and level of importance on issues such as public safety, land use, environment, transportation, taxes, veterans, economic growth, tourism, recreation, social programs, health, permitting, etc. at [vote4amycruver@hotmail.com](mailto:vote4amycruver@hotmail.com).

Grateful Appreciation for your input and support!

## **15. The Antifederalists Were Right**

- I. <https://mises.org/library/antifederalists-were-right>
- II. “The Antifederalists Were Right” is a must read commentary by Mises Daily written by Gary Galles, professor of economics at Pepperdine University, see link above.
- III. To fully understand the enormity and chronology of the taking of your wages, pensions and private property, read this article.
- IV. Guess what he concludes, i.e. too much power in the hands of a few!
- V. The Antifederalists saw this truth in September 27, 1789.
- VI. Freedom For All Seasons has researched and documented this truth since we started to wake up in 2004 and on.
  - a. You can find some of this discovery via links below:
    - 1) <http://www.freedomforallseasons.org/NaturalLawAndNaturalRights.asp>
    - 2) <http://www.freedomforallseasons.org/UnalienableRightsNew.asp>
    - 3) <http://www.freedomforallseasons.org/OrganicLawOfTheUnitedStatesOfAmerica.html>
    - 4) <http://www.freedomforallseasons.org/ConstitutionThatNeverWas.asp>
    - 5) The remaining sections document property owner’s experiences and overview/frame up major takings.
- VII. Don’t forget the several states created the federal/central government, not vice versa.
  - a. The federalists intentions in part were to force more revenue from the states “to protect the states”, sound familiar?
  - b. Do common Americans really need the government (muni’s, states, fed)?
  - c. Read this above line over until you deprogram yourself.

- d. The government creates a forced self serving agenda (legislation, regulations and taxation) to convince you that you need them, i.e. forced “service”.
- e. Can an independent American sovereign state Citizen with common sense live without municipals (County/City), state and feds masquerading as servants?
- f. And if these government corporations (muni’s), states and united states say “YOU have to pay to play” isn’t that extortion?
  - 1) I say absolutely.
  - 2) I would guess 80% or more of Americans do not need or would not voluntarily choose to be conscripted into an unrequested government “service(s)”.
  - 3) There is no fundamental, founding or divine law that can force you to pay for services you do not want and/or do not use!
  - 4) Why has all this power mongering gone on so long?
  - 5) When all you have to do is exercise your civil disobedience?

**16. Few Americans can comprehend the enormity & ruthlessness behind this global to local agenda, let alone see it happening right under their nose.**

- a. This gross centralization of power started by the Federalist was predicted by the Antifederalists.
- b. All while the colonies were freeing themselves from the British.
- c. The Federalists could not comprehend how quickly their relative “good intentions” would be turned around.
- d. This has been a massive power grab over at least 5 generations.
- e. The problem is those who took our power will never give it back.

- f. Half the population wants a strong central government so they live off that power for their own selfish and insecurity reasons.
- g. While the remaining half is largely apathetic and unwilling to fight.
- h. Spygate has exposed the federal Intel agencies are spying on not only American sovereign state Citizens but on the U.S. President and his staff.
- i. Q is inferring in his graphic drop below that there is also the military Intel and they are the good guys or at least more focused on conservative values for America than federal Intel. So now we become aware of two opposed Intel in America one extremely liberal and the other extremely conservative.

<http://8kun.top/qresearch/res/7370113.html#7370465>

**14. What happens when there is too much power in the hands of a few?**

- Can enough key players of the deep state be prosecuted, convicted and sent to prison and will it make any difference, i.e. how to prosecute termites?

1) Check out the Sealed Cases - <https://www.qmap.pub/cases>

- There are 134,570 sealed, 14,957 unsealed cases (sealed cases which have been unsealed) and 313,793 non sealed cases
  - Totaling 463,320 sealed, unsealed and non sealed.
- These cases are real and appear to be from the Pacer criminal cases master list.
- The sealed historical total for 2006 (the only year with historical data) was 48,750 sealed cases.
- So we have 134,570 sealed as of 2019 vs. 48,750 in 2006 or 176% more. (Is this a normal increase in sealed cases or not?)
- An indictment is a very serious charge and Praying Medic talked about this long ago.
- This statement below is an extract from <https://www.qmap.pub/themes>
  - There are a record number of sealed indictments (134,000+) across the USA outside of Washington DC jurisdiction.

An indictment is a formal accusation against one or more defendants, charging them with one or more crimes.

In the federal criminal system, the indictment is the principal method by which a prosecutor initiates criminal proceedings.” John Huber

- [https://docs.google.com/spreadsheets/d/1kVQwX9I9HJ5F76x05ic\\_YnU\\_Z5yiVS96LbzAOP66EzA/edit#gid=696746910](https://docs.google.com/spreadsheets/d/1kVQwX9I9HJ5F76x05ic_YnU_Z5yiVS96LbzAOP66EzA/edit#gid=696746910)

2) Qmap.pub has photos and profiles of 121 players of the good/bad guys/gals for the first time now accessible to the public.

- See <https://www.qmap.pub/players>
- Would you take the liability of uploading all these profiles?

- Would you be worried if your profile was on this list?
- 3) Then we have the “Global Themes” Q page addressing all the games being played - <https://www.qmap.pub/themes>
- 4) Then view the 35 “Notable Deaths/Suicides” - <https://www.qmap.pub/deaths>, is this normal, you decide.
- 5) Check out Qanon Videos/Decoders - <https://www.qmap.pub/videos>
- 6) For the first time you can see a few of the faces to the hands taking too much power.

## **15. Are we in a shadow civil war since President Trump was elected?**

- ❖ Do you think the military establishment is helping tip the scales with whom they favor?
- ❖ Do you see anything more unusual now than during a “normal” election cycle?
- ❖ Do you believe this election seems to have generated a more volatile presidential term than normal?
- ❖ If so, why?
- ❖ Why did the radical left take over the DNC?
- ❖ Why is socialism allowed to be “represented” in a true and honest free Republic?
- ❖ Why were all these international trade “agreements” allowed to go through at great cost to America?
- ❖ Why has the border been allowed to be so porous over so long?
- ❖ Why were two presidents (Obama & McCain) allowed to run in 2008 when they [were clearly not natural born Americans by original definition.](#)
- ❖ Why is the UN Agenda 21/2030 social and environmental extremism allowed to creep into America?

- ❖ Why does the federal government still own and fight for public land that clearly belongs to each of the applicable states?
- ❖ Why are the reservations allowed to stand so long while the tribes are being subsidized in addition to their gambling revenue?
  1. \$3.5 billion have been given to the tribes to take private lands.
  2. \$12 billion for more federal land grabs.
  3. [\\$19.5 billion of the 2015 President's budget was requested for American Indian tribes, why is that?](#)
  4. And now they are trying to roll up water rights in each state.
- ❖ TOO MUCH POWER IN THE HANDS OF A FEW.
  1. In other words, too few benefiting too much.
  2. We are all being used and abused and don't even know it!
- ❖ This apathy results in a very intentional and successful systematic stripping of all our private and public property, our water, wages, pensions, our divine unalienable rights and worst of all the removal of our right to consent of the govern and vetting to the applicable state and U.S. constitutions.

## **16. Now that the problem is clearly defined.**

1. We must fight and systemically dismantle all these agencies global to local AND return this power back to each individual sovereign state natural born and rightfully naturalized Citizens.
2. Our governing bodies have exploited simple basic tasks of representation into complete transfers of our individual contracting rights/powers as if we have given them a Power-of-Attorney over us.
3. Our own people have put us under obligations we would never agree too.
4. Let's get to work and take back our communities, states and America.
