Subject: 9 EXAMPLES OF SERIOUS EVIDENCE IMPLOSION OF AMERICAN REPUBLIC

To: My Friends and Family

Group 1, Group 2, Group 3, Group 4, Group 5, Group 6, Group 7, Group 8, Group 9, Group 10, Group 11

Here are some 9 examples regarding MORE serious evidence of the implosion of our American republic form of government.

1. Alex Jones just gave a serious update on his situation re. the deep state suing him into bankruptcy complete with DOJ physically coming around studio and threatening his employees.

- Plus his parents are being threatened and his family.
- He is not sure what is going to happen.
- www.infowars.com is the most viewed internet and live radio steaming reporting on the takings of the globalist and deep state, i.e. Black hats and Blackrock know this and they want him out ASAP, no holds barred.

2. Tucker Carlson of Fox News the once last “conservative” source in MSM was fired and promptly setup his own network as we all know.

3. This is the same game being used on Trump, he has 90 some phony charges filed on him, i.e. the Globalist Mafia have the bucks to run out any Republics luck, more coming on that soon.

3. Mat Rosendale just announced a few days ago he was dropping out of the Montana US Rep race because of death threats to him and his family.

- Rosendale had also backed out of running for Montana Senate race because Trump endorsed another candidate.

5. In the email attached from a Montana patriot the FBI has rounded up 93 new suspects re. the Jan 6 FBI heavily occupied protest, see excerpt below.

- “.... The part he left out was that said assault emanates entirely from the very government he pretends to head. It’s reported (in *The Epoch Times* today) that since the start of this year **the FBI has rounded up 93 new suspects in the event of 1-6-21 touted as “the insurrection”** — most of the years-old charges related to trespassing, disorderly conduct, and parading, conduct now regarded as nation-threatening. He also left out the prodigious three-year-long campaign of his inter-agency flunkies to abolish the First Amendment by capturing all the transmitters of free speech. And never mind the regime’s banana republic style lawfare op to jail “JB’s” chief political opponent on spurious charges before the November election — rank, in-your-face election interference.”
- These 93 may include a reporter filming the event who reported his story in a separate video and said he was “walking on a land mine” re. Not knowing how his situation of merely filming the J6 protest was going to come out.

6. David Baumblatt, a West Point grad, scholar and former FBI Special Agent was forced to leave the US by the FBI and live in China for a crime of wanting to pursue a Chinese CCP suspect.

- Get his book “Patriots Betrayed” – A Soldier, Scholar, Spy’s Warning about American’s Leadership Crisis.”
- What he says is American leadership in government and corporations are consistently taking the path of least resistance versus addressing the hard problems straight on.
- His book explains much of the bolded points on this page.
- Bottom-line summary - There is a trending lack of “No Balls” leadership especially in the military brass Mr. Baumblat has personally witnessed including The Boeing Company where he worked part of his career.

7. Check out graphs and report links below regarding mass incarceration.

State policy drives mass incarceration

PRISON

Compiled by the Prison Policy Initiative from the Bureau of Justice Statistics *Mortality* data series (data for prisons is not available for 2000) and the American Foundation for Suicide Prevention, "Suicide Statistics," based on Centers for Disease Control and Prevention research

- You can find your state and county graphs at this link - <https://www.prisonpolicy.org/profiles/>
- ✚ Here is Montana excerpt – “ Five Montana counties are home to less than half of the state’s residents, but more than 67% of the state’s prison population”
- ✚ Then it goes deeper into each city and the neighborhood of the city.

9. US Federal Debt is 125% of GDP - <https://www.economicshelp.org/blog/3018/economics/history-of-us-national-debt-gdp/>

10. THESE 9 EXAMPLES ARE NOT RANDOM COINSEDENTAL EVENTS, THIS IS CLEAR GLOBAL TO LOCAL ENTRAINMENT EXPONENTIALLY TRENDING UPWARDS WITH EACH GENERATION.

11. American government is not only on the take, they are collaborating with the globalist and military industrial corporate congressional complex WELL before Eisenhower days, remember [the bow tie study](#).

ALL OF THESE EVENTS AND MORE ARE BASED ON FUNDEMENTAL LIES, a.k.a. intentional misrepresentations.
