Subject: Election Corruption Built Into State Laws

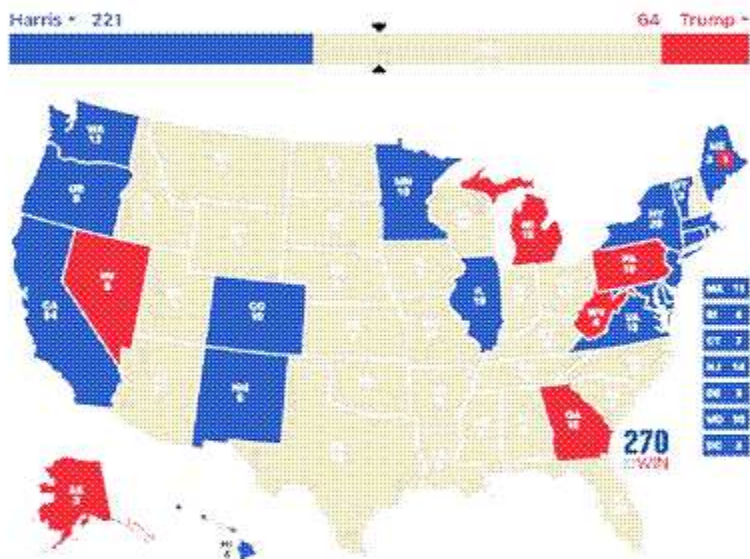

1. **The US Census Bureau Stole At Least 16 electoral votes & 15 US House Seats by Capt. Seth Keshel** - <https://skeshel.substack.com/p/the-us-census-bureau-stole-at-least?r=qxcji>

2. **Below US maps show** the states with auto voter registration (states in color blue and red - Left Map) and Right Map shows states with no auto voter registration (states in color red and blue).

- Bottom line, the majority of blue states have auto voter registration to pump up their illegal votes.
- While the majority of the red states have no auto voter registration.
- We need federal level voting standards & enforcement requiring all states to conform to the highest level of voting standards, e.g. No Auto voter Registration.

Voter Registration Analysis 2024 Presidential Election

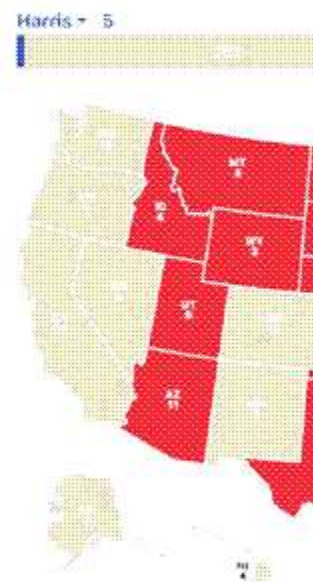

Automatic Voter Registration

Harris - 221 Electoral Votes
18 States + DC

Trump - 64 Electoral Votes
6 States + ME2

NO Automatic

Harris - 51 Electoral Votes
1 State

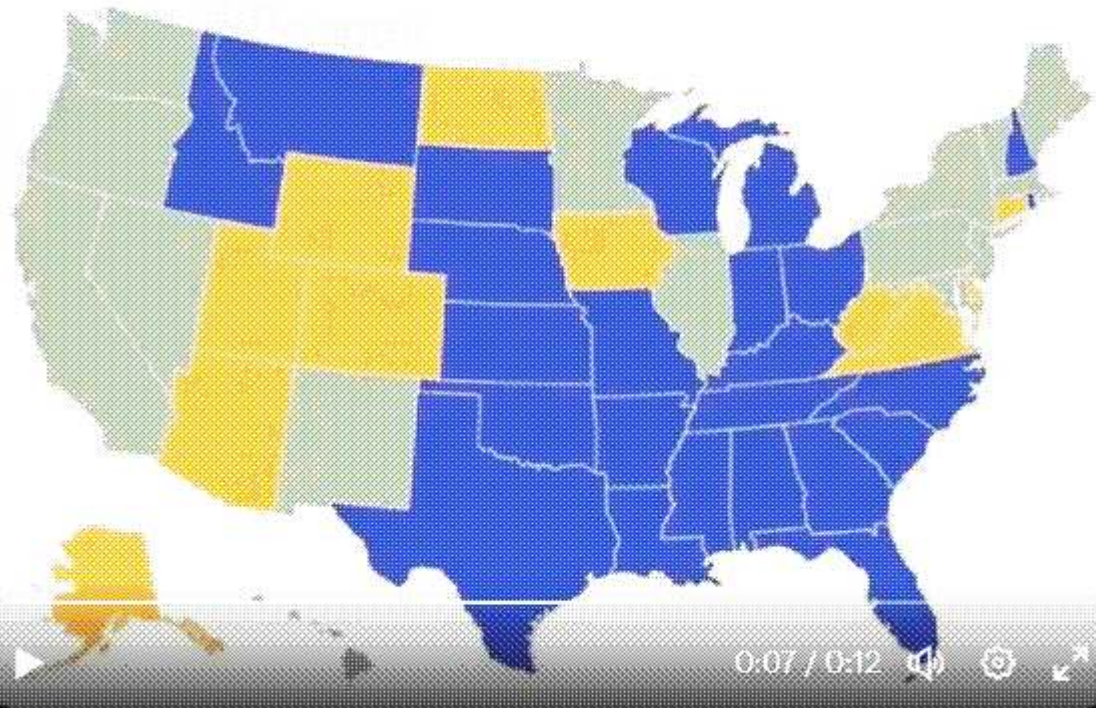

Trump - 25 Electoral Votes
2 States

3. Below US maps show:

- The left US map below shows the states requiring voter photo ID or non photo ID or no ID at all.
- The right US map shows the political winning party of each state of the 2024 election, with NV & AZ turning full Red totaling 312 electoral votes for Trump and 226 for Harris.
- Bottom line, the Red states primarily require Photo ID and the Blue states lean no ID required.
- Here is more evidence of the need of a Trump Election Integrity Commission to level the playing field for all states.
- As a side note, Montana State laws require U.S. Citizenship however; no ID's accepted in Montana State except the US Passport, show U.S. citizenship and this includes the Montana drives license, as I can see.

The map below details voter ID requirements by state. Hover over a state for additional details.

- Photo ID required
- Non-photo ID required
- No ID required

5. Article 4, Section 4 of the US Constitution – Pass this email onto your state representatives and senator to remind them to help standardize & enforce constitutional election standards for their state.

“Section. 4. The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened), against domestic Violence.” [http://constitution.org/1-Constitution/constit .htm](http://constitution.org/1-Constitution/constit.htm)
