The following is a list of 22 notable notes and sources I heard re. tracking and exposing the global to local Deep State Dark Agendas.

- Scroll down and speed read the numbered headings for subjects of interest.
 - This list is just the tip of the iceberg.

1. <https://www.infowars.com/posts/doesnt-fit-msm-narrative-latest-arctic-ice-data-shows-26-larger-than-2012>

- **This year's minimum Arctic sea ice extent was 26% larger than 2012. @BBCNews said the Arctic would be ice-free by 2013."**
- ALEX JONES, <https://www.infowars.com/> , Joe Rogan, Tucker Carlson and Elon Musk's "X" I would call the top 4 Patriot individuals publishing the truth worldwide.
- We are talking tens to near 100 million listening audience for each of these super patriots at times, e.g. Elon said he paid twice as much for Twitter than it was worth but considered that the cost of free speech.
- The mad corporate media cannot compete with these numbers anymore, i.e. the truth now overwhelms the globalist lies.

2. "The Rockefellers & elite super rich are all the same tentacles of the same octopus", Jay Dyer, exceptional historian connecting of the dots of the Deep State organizations, reports on Alex Jones www.inforwars.com and below.

- Jay's site is <https://jaysanalysis.com/> & on Rumble - <https://rumble.com/search/all?q=jay%20dyer> and on YouTube - https://www.youtube.com/results?search_query=jay+dyer.

3. Project Skywater – 1961 Congress allocated funding for weather modification program headed by Bureau of Reclamation -

<https://archives.mountainscholar.org/digital/collection/p17393coll32/id/5498/> also can do "Project Skywater" keyword search for more data.

- P.S. I have a growing number of Chem trail photos over the south half of Flathead Lake Montana and our home. Applicable Montana departments are in denial and out of touch.

4. “Conspiracy against individual rights, we are going to lock your fat ass up” - quote from new Trump Elect Admin. 2024.

5. According to Alex Jones, the Connecticut DNC lawyers with help from a humor publishing company “The Onion” and [Michael Bloomberg](#) and a gun safety group spent over \$300 some million (court documents) over 7 some years to shut down Alex Jones and family and [Infowars.com](#). It never was about a money settlement only to shut up Alex Jones and his father Dr. Jones MD according to Jones. They bankrupted Alex Jones and his father who spent some \$2 million defending him against this political harassment. Both Alex Jones and his father sell vitamins and Alex sells his infowars.com broadcast to 400 some radio stations worldwide for revenue. The censorship Lawfare against Alex Jones and family appears to have turned in Alex Jones favor as federal judge in Houston has ruled against the bankruptcy sale because its fraudulent nature. Alex has wealthy patriot friends that have out bid the Connecticut democratic groups for infowars.com however the US DOJ gave the sale to the Connecticut group. Even the DOJ bankruptcy marshal and other Intel federal groups are behind this Lawfare agenda against Alex Jones and his parents according to Jones. Jones at one point in this hoax trial offered to settle for \$55 million over 10 years and it was refused. This group suing the Jones family said they did not want his money only to make a deal to shut him up under certain conditions. Alex refused. Alex has now turned the tide and is counter suing all parties involved in this Sandy Hook set up hoax Lawfare to bankruptcy agenda by the deep state agenda. He says Gvt. Intel and DOJ are involved. Sandy Hook was used as the set up to frame Alex Jones especially when the group suing was not interested in a monetary settlement but more of a gag order on Alex Jones broadcast network.

- Just scroll down this long list of shows going back several months to verify the above and much more how the globalist deep state works - <https://banned.video/results?query=alex%20jones>

6. General Flynn web site - <https://www.generalflynn.com/> , sign up for his free newsletter.

7. Another great host on www.infowars.com is the Dark Journalist - <https://darkjournalist.com/> and on YouTube - https://www.youtube.com/results?search_query=dark+journalist.

8. Combat correspondent, author and photographer on the border crisis –Is Michael Yon - <https://michaelyon.com/>

- Note: he only has a paid subscription it appears - https://michaelyon.substack.com/subscribe?utm_source=substack&utm_medium=web&utm_content=chat&next=https%3A%2F%2Fsubstack.com%2Fchat%2F459345%3Futm_source%3Dpub-nav-bar

9. Dr. David E. Martin PhD exposing what the COVID agenda is all about - <https://www.davidmartin.world/about/> also interviewed on Alex Jones www.infowars.com daylightfreedom.org

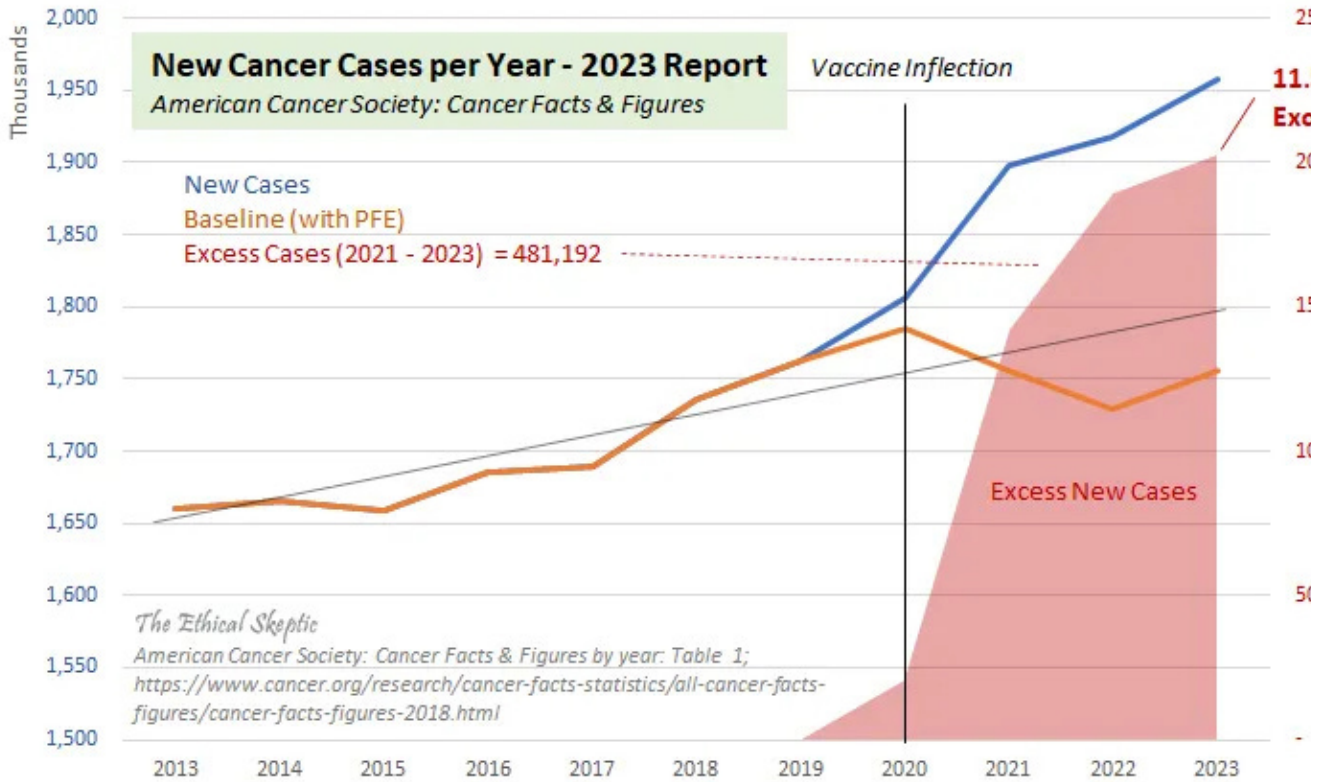

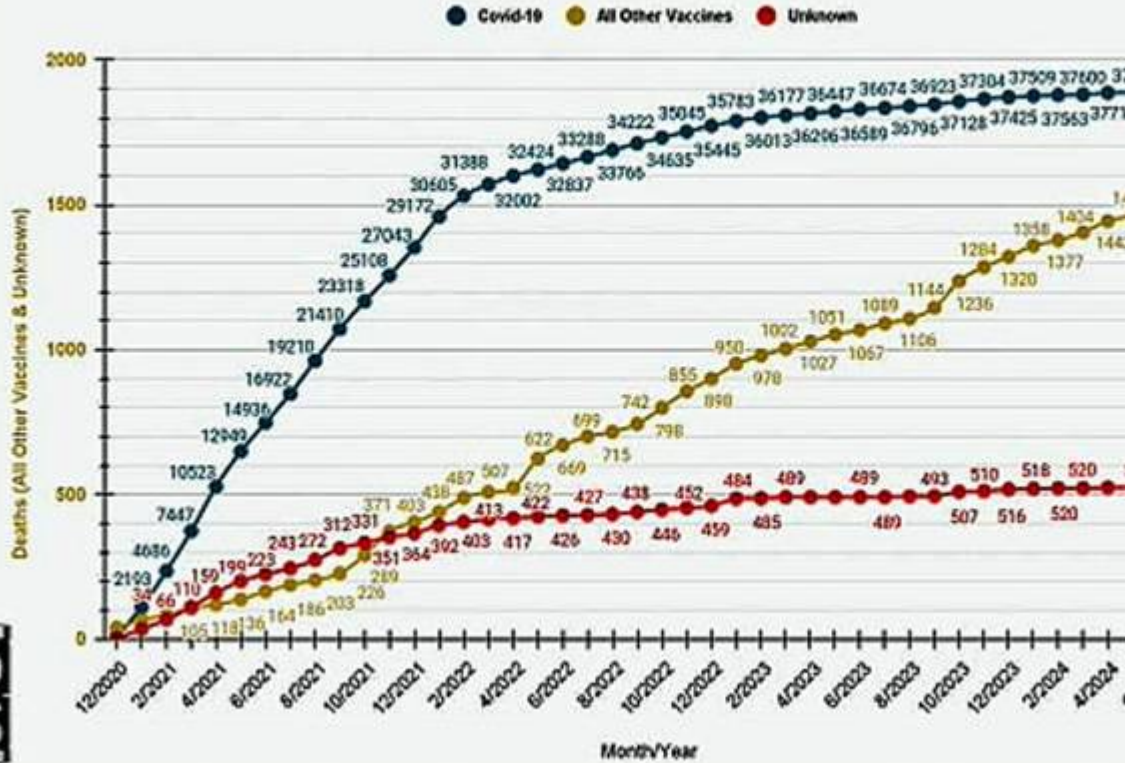

- Dr. Martin says there are 70 some virus developed for gain of function.
- He has not been able to find a law firm to take up a case against the government officials for this intentional release of a gain of function deadly virus which he has all the records to prove.

10. <https://www.2ndsmartestguyintheworld.com/p/published-paper-on-unvaccinated-health> - Link explains bar chart below.

- This bar chart below from a 2020 pilot survey of CDC data may be summarized as the following:
 - 1) 60% of those vaccinated had chronic conditions vs. only 5.71% of those unvaccinated, i.e. $60/0.95 = 10.5$ X worse for those vaccinated.
 - 2) 42% of those vaccinated had 2 chronic conditions vs. only 0.95% of those unvaccinated, i.e. $42/.95 = 44.2$ X worse for those vaccinated.
 - 3) 12% of those vaccinated had 5 chronic conditions vs. NONE of those unvaccinated, i.e. $12/0 =$ infinitely worse for those vaccinated.

12. This is the best book of the year in my opinion outlining what has happen to America titled [Unhumans – The Secret History of Communist revolutions & How to Crush Them](#) by Jack Posobiec & Joshua Lisee.

- Scroll about 1/3 down linked page to see the comments the Publisher has documented on book back cover including Donald Trump Jr. & General Flynn.
- I am a little over half way thru the book and find it nails the situation America is in which reveals a similar pattern other countries have had with communist revolutions.
- The short take is the communist divide & conquer pitting the “haves” against the “have not’s” using any culture ammo, i.e. cultural or racial differences, while in the end both the haves & have nots are killed by the communist.

13. Dr. Judy A Mikovits PhD - <https://therealdrjudy.com/about-dr-judy> in an interview with Alex Jones claims the COVID Vaccination is NOT immunization, it is a criminal organization.

- Check out her web site to see her research, peer reviewed publications and discoveries.
- <https://therealdrjudy.com/help-stop-fraud>

14. Alex Jones father was a brilliant young man and inducted into the federal complex early like 15 to 18 years old and then asked to be transferred out sometime after when he discovered how evil it was.

- Alex’s father referred to President Eisenhower farewell address regarding the other statement re. the military industrial complex made on January 17, 1961, 63 years ago.
 - <https://www.archives.gov/milestone-documents/president-dwight-d-eisenhowers-farewell-address>
 - “Yet, in holding scientific research and discovery in respect, as we should, we must also be alert to the equal and opposite danger that public policy could itself become the captive of scientific-technological elite.”
 - Jack note: this has long ago come true and has become a dark budget and secretly run that not even the President is told, worse thru election influencing.

15. **Will the Mutant (RHINOS) Elephants hijack another legislative session?** - <https://larkchadwick.substack.com/p/will-the-mutant-elephants-hijack> **(Must Read)**

- “At least 25% of Montana Republicans vote consistently with Democrats to sabotage strong conservative legislation, working instead to pass Democrat ...Big Gvt Bills”.
- A new website is planned to track the GOP votes and hold these RHINOS accountable.

- Thanks Lark for forwarding, cannot wait for this web site so we can vote and call these two timers off the floor.

16. **Will the Snake River Dams be Breached** by Dr. Annie Bukacek -

<https://videohaven.com/w/kANEyimPRQ74GknXrtHBFw> (15 minutes must watch 6 months ago – (More Blue State & Special Interest Group Collusion)

17. **Follow the Money by Dr. Annie Bukacek** - https://videohaven.com/c/dr_annie/videos

Link includes 3 video presentation less than 46 minutes each)

18. **Drain the Swamp** by Larry Arnn, President of Hillsdale College -

19. **How the US GVT Controls 140 World Countries compiled by Jack** -

20. The trash Mafia has a monopoly here in Montana Flathead Valley from Flathead County to Lake County to Missoula County.

- I had a long talk with one of the trash truck drivers about a year ago or so and he knew, see story below link which confirms what I heard.

- <https://mslegal.org/cases/noland-v-montana-public-service-commission/>

21. Speaking of garbage, **Boycott Costco until they stop this DEI garbage.** -

https://resistthemainstream.com/costco-slams-conservatives-in-scathing-statement/?utm_source=newsletter3

- <https://www.cnn.com/2024/12/27/business/costco-dei/index.html>

- The Boeing Company just got smart and is backing out of DEI too; they see the political trend and “go along to get along”.

22. This is just breaking today, Jan. 6, 2025 and is at the heart of the global to local [Deep State operations](#) regarding how they initiate & hold each other to the evil they create & allow while they imprison others who merely protest.
