Subject: January 6th & Other Intentional Agendas

J6 Hillsdale Speech - I counted 19 clues in my first read of this current Hillsdale report direct link below; in my mind pointing out the intentional AGENDA of the Deep State by their global handlers.

➤ <https://imprimis.hillsdale.edu/what-we-know-and-what-we-dont-about-january-6/>

This causes me to reflect on a few other AGENDAs on the tip of the iceberg.

1. Why does J6 **AGENDA** look the same as the 911 implosion AGENDA **AND** the JFK assassination AGENDA **AND** the unFederal UnReserve Act AGENDA **AND** the 16th Amendment AGENDA, ET AL.?
2. [Why does much of what congress, states & Muni's do look more like political criminal AGENDAS than common sense?](#) (Link to 20 years of reasons)
3. Why is direct tax taking NOT obeying the rule of apportionment now totally ignored – Same **AGENDA**. (Only the legitimate indirect tax taking for the federal, state and municipal governments legitimately works)
 - <https://substack.com/@2ndsmartestguyintheworld/p-143187347>

-
- 4. Why was the CORONA virus intentionally developed then spread throughout the world with a false narrative, same **Agenda**.
 - <https://t.me/c/2005199502/662837> -
 - **Short video -**
<https://www.freedomforallseasons.org/MyWebSiteVideos/Corona%20Virus%20Update%203-9-2024.mp4>
 - “BOMBSHELL Document called The DEFUSE proposal was proposed to DARPA years before the COVID Pandemic
 - It included a blueprint for modifying a SARS-like virus
 - **It matches Covid 19 so perfectly**, “If the DEFUSE proposal had been patented, SARS-CoV-II would violate that patent — that is how closely the genome of the virus matches what is proposed in that grant. It is a blueprint. It's a recipe.”
 - SARS-CoV-2 is the strain of coronavirus that causes COVID-19. It is COVID-19
 - “The defuse proposal outlined gain-of-function virology that would have generated a virus that would've looked a lot like SARS-CoV-II” matching so perfectly, it would violate a patent. It is the same virus.
 - Absolutely insane. Crimes Against Humanity”
 - @SGTnewsNetwork

- 5. When we suspect we are not living in a truthful world some may sum it up, as everything is a lie, which is close to the truth.
 - However, we are now much closer to the truth than ever before because we have growing live examples of the AGENDA we have lived under for generations.
 - Best of all we have an in work developing action plan to take out all of these criminal organizations ASAP.

- There will be more than one criminal organization you may not believe however; I will be sending you the reality on that next, i.e. too much to cover here.
