Subject: Absolutely NO to H.R. 3773 & S. 1967

Please vote NO on both these bills.

The federal and State law covers what is in the Protect Act. These two bills are an existential threat to the civil liberties of all Montana Citizens and all other reservation states. This bill is targeting non tribal members for any reason when the tribes cannot control or jail or imprison their own tribal members. The tribes' leadership is power hungry with the help of the state and federal political class. The so

called Protect Act does the opposite, it is setting up the non tribal State Citizens to take away their gun rights and their legal defense rights.

These 2 bills should never have been written up let alone got this far. The tribal reservation system is a mess in the states and at the federal level. The BIA should be DEFUNDED, ELIMINATED and all subsidies to the tribes stopped immediately. There are some 562 tribes with 400 more standing in line for more government handouts. Allowing gambling on reservation to make them independent did not work. In reality, it makes them more dependent and more troublesome on all the other property owners and neighbors in the area. Casinos are an attractive nuisance for more drug dealing on the reservations.

There are some 500, 000 tribal members in a US population of 342 million now. This is only 0.15 % of our population. [The BIA budget for 2024 is \\$3.0 billion!](#) This is insane. We need to eliminate all race based funded programs. If the tribes have not assimilated after more than a century the current system of keeping them dependent is not working!

The tribes are not sovereign, i.e. they are domestic codependents. The Indian caucus in Helena is not friends to the Montana Citizens. Few in Montana legislators know Montana Indian policy. Montana State does not care about Indian affairs. Montana US Senator Steve Daines does not care about the non tribes Citizens. It is obvious he is political favoritism to the tribes at the expense of all other non tribe Citizens. He played this same card pushing the CSKT water taking compact which should also been shredded. Lake County tax payers are forced to pay the CSKT \$6 million for their court system costs. Only 10% of Montana Citizens understand the issues living near a reservation. The Montana tribal leaders cannot effectively manage their own members and that is way 80% of the tribe live outside their reservation.

It is suspected the CSKT tribe wrote this Montana Bill with the help of a US Senator from Minnesota, Tina Smith (D). The language is being changed in prior bills to broaden the bills influence. I hear James & Dinky are pushing the Protect Act bills into Senate after House has passed.

Do you want to know more about how the Indian reservation game is played, check out my research here, <https://www.freedomforallseasons.org/FreedomFromWaterTakings.htm>, Section 1 – How Montana Private & Public Property is Being Taken. The liberals & RHINOS have been long under dealing with the help of purple conservatives. The real conservatives have lost their base.

It gets worse in Helena. Montana Capital is a mess I hear not unlike a state gambling house where all the different bills are played like gaming tables, all fixed in some way, e.g. election rigging, property tax taking, wages and pension tax taking all to pay for whatever tribal and reservation and other give away

games like the lobby industry to conjure up more votes for more deception instead of transparency and common sense.

The Protect Act is another step towards nation state status by American hating tribes that creates another government entity that can ruin our lives.

The Helena House, Senate, Supreme Court/Judiciary and Executive Office have done a damn good job of making a mess while crippling the middle class with insane and criminal taxes on wages and pensions and IRA distributions and the homes we live in to survive.

All to pay \$3 billion a year to a way of life on allotments of land that expired long ago with the purpose to give 0.15% of America time to assimilate into the greatest free Republic in the world. All of us come from tribes if we want to play this game. It is honorable to celebrate your ancestry. It is shameful to force Free State Citizens to subsidize and weaponize an ancient life style that no longer works and has long passed for well over a century.

I did a word count of H.R. 3773, link below.

- <https://www.congress.gov/bill/119th-congress/house-bill/3773/text>
- The count tells all about the agenda behind this bill.
- **The agenda written in this bill is to frame up any white man on the reservation which is largely occupied by whites and then make them the criminals and take away any legal defense because Sect. 4 Bureau of Prisons & State Bar law attorneys cannot protect in reservations. But the tribes cannot afford nor are proactive to protecting themselves. How contrary can the agenda of this bill and the writers who wrote it become. This is exactly what communism does intentionally if you read Unhumans by.**
- In Montana it is well know by anyone who has their ear to the ground near the reservation that Gov. Gianforte, his AG, ex Senator Tester, Senator Zinke, ex Gov Bullock all play the Indian card wild every deal at the expense of all the true Citizens in the State.
- Look at the high word count of both bills below and you know what the writers of the bills hate and what they love.
- Government cannot force people to change with more bills and regulation and funding. This never worked for the U.S. Department of Education and it certainly has not worked for the tribes. Nor do deceptive bills work, good people see through this agenda like a sieve.

NOTE: THE SIMILAR COUNT NUMBERS IN SENATE VERSION OF HOUSE BILL.

- Both are obviously written by and have the same agenda.
- U.S. S. 1967 is introduced by Montana Senator Steve Daines & Minnesota Senator Tina Smith.
- Daines claims he is a Republican but is not acting like one, i.e. either a RHINO OR a [PURPLE PEOPLE EATER](#).
- Smith claims she is a Democrat and acts accordingly.
- Let's get rid of Daines & Zinke & Gianforte & the AG & the SS for real Red Blooded Patriots next election.

“If the white man wants to live in peace with the Indian, he can live in peace. Treat all men alike. Give them all the same law. Give them all an even chance to live and grow. All men were made by the same Great Spirit Chief. They are all brothers. The Earth is the mother of all people, and all people should have equal rights upon it. Let me be a free man, free to travel, free to stop, free to work, free to trade where I choose, free to choose my own teachers, free to follow the religion of my fathers, free to think and talk and act for myself, and I will obey every law, or submit to the penalty.” Chief Joseph
