Orly,

This letter is going out in tomorrows mail.

Susan

The Honorable Judge David O. Carter
Ronald Reagan Federal Building and U. S. Courthouse
411 West 4th Street
Santa Ana, CA 92701-4516

Dear Judge Carter:

I am the private investigator who contacted Dr. Orly Taitz when I found that Barack Obama has been using a bogus social security number for years, which is a felony. I have been a licensed investigator for almost fifteen years and recognized it immediately as fraudulent.

If you had allowed Discovery and required the SSA to release his alleged application for that number (and I do not believe such an application exists), you would have realized it, too. Numbers are issued to a person in the state where they are living. Between 1977-79 when it was issued, he was living in Hawaii not Connecticut.

I now realize that you always intended to dismiss the case, because that's what you were ordered to do. You have bartered your integrity for a lofty position and a hefty pension. Shame on you.

The men and and women in the military will continue to die under the direction of someone who is not entitled to hold the position of Commander in Chief and who is nothing more than a Chicago thug with questionable loyalties.

Semper Fi? I think not
