Dear Friends,

Joe will be traveling to Salt Lake City, Utah and be present on April 12th and 13th to speak at Freedom Law School's "Utah Restore Freedom Seminar." Attorney Peter Gibbons will also be speaking at this seminar. Both Peter and Joe, along with former IRS Revenue Agent Sherry Peel Jackson and Freedom Law School Founder Peymon Mottahedeh are featured in a brand new documentary called "Slave Nation" (details below). More details about the Salt Lake City seminar can be found here:

Also, please view and share these recent video interviews:

Joe was interviewed on the Clayton Morris Show on March 25th, 2024. The host, Clayton Morris, a former reporter and anchor at Fox News Channel for many years, is absolutely fascinated to learn that Joe, while still serving as an IRS criminal investigator, investigated the very income tax laws he was assigned to enforce and verified the IRS was deceiving the American people about their supposed federal income tax obligations.

Other Recent Videos:

Joe was interviewed on the Pete Santilli Show on March 29th, 2024. Joe and show host Pete Santilli realize they were both unjustly targeted by U.S. Department of Justice attorney Rod Rosenstein who was a well known figure in the "Russia Collusion" hoax perpetrated against President Trump.

Peymon Mottahedeh was interviewed on the Clayton Morris Show on March 17th, 2024. Peymon describes his own awakening regarding the federal income tax system and mentions Joe Banister's awakening as well. The host, Clayton Morris, is absolutely fascinated to hear Peymon's perspective.

Joe was interviewed on the Joe Hoft Show On March 13th, 2024. Joe Hoft is the twin brother of Jim Hoft, founder of The Gateway Pundit, but Joe Hoft also has earned an impressive pedigree in his own right, including earning a masters degree, CPA certificate and decades of experience in corporate finance, accounting and auditing. The interview with Joe Banister starts around the 20 minute mark:

Spreading The Word To Others

Please also remember to tell your friends and family about Joe Banister's efforts to bring the truth about the federal income tax to the American people, best summarized on the [What's This All About?](#) page of Joe's AgentForTruth.com website:

-For those who have received this message as a forward from someone else, you can sign up to receive these messages directly by entering your email address on the right hand side of the web page.

-I will send a copy of "Investigating The Federal Income Tax: A Report To The American People" to any donor who donates at least \$30 to support my whistle-blowing efforts - just make sure you mention that you want the book gift. Donations by check or money order are gratefully accepted and can be made payable to "Avanti Management Group, Inc." and mailed to at 1805 N. Carson Street, Suite C, Carson City, Nevada 89701. Keep in mind that money orders (with an anonymous payor) or cash may provide a greater degree of privacy to the donor than checks. Also, consider using 1805 N. Carson Street, Suite C, Carson City, Nevada 89701 as the return address on your envelope rather than your own address because any information on the outside of a mailed envelope is susceptible to observation/transcription by government agencies. See <http://www.answers.com/topic/mail-cover> for more information. Use your own discretion based on the degree of privacy you desire.

-I will continue to send a free Attorney Larry Becraft Research DVD to any donor who donates at least \$25 to me for my radio show effort - just make sure you mention that you want the CD gift. Don't forget that Attorney Becraft (and some unsung heroes) created an incredible researching tool all in one DVD. He has compiled the most comprehensive, easy to access history of the federal income tax laws I have ever laid my eyes on. The DVD includes more recent information such as a report from a 1975 investigation of the IRS, Title 26 of the Code of Federal Regulations from 1999, the entire Internal Revenue Code from January, 2002, Statutes At Large 111 through 121 (105th Congress through 110th Congress - roughly 1997 through 2007) and earlier information such as the Revenue Acts of 1919, 1921, 1924, 1926, 1928, 1932, 1934, 1936, 1938, tax regulations from some of the aforementioned years, a mind-blowing 31 page "secret" memorandum written in 1945 later declassified regarding the history of the "Bureau of Internal Revenue" (which is the earlier name of the agency we know today as the "IRS"), the entire 1939 Internal Revenue Code, the entire 1954 Internal Revenue Code (prepared by the Joint Committee on Taxation in 1992). Many of these documents were created in word-searchable format so you can search for any specific word you can think of. It would take hundreds of hours to create such a resource from scratch and Larry's hard work has saved us from doing so. As Larry has repeated many times on our radio show, it is critical for Americans to learn more about what the tax laws actually say - what the tax laws said in 1913 when the contemporary income tax came into being and what the tax laws have said ever since then, all the way up to the present day. Donations by check or money order are gratefully accepted and can be made payable to "Joseph Banister" and mailed to me at 1805 N. Carson Street, Suite C, Carson City, Nevada 89701. Keep in mind that money orders (with an anonymous payor) or cash may provide a greater degree of

privacy to the donor than checks. Also, consider using 1805 N. Carson Street, Suite C, Carson City, Nevada 89701 as the return address on your envelope rather than your own address because any information on the outside of a mailed envelope is susceptible to observation/transcription by government agencies. See <http://www.answers.com/topic/mail-cover> for more information. Use your own discretion based on the degree of privacy you desire. Attorney Becraft appeared on the Freedom Above Fortune Radio Show on September 18, 2010 and March 22, 2014 and May 3, 2014 and spent significant time on these shows discussing and explaining the contents of the CD and an archive of this show is saved at <http://hearliberty.com/joebanister.html> on the left hand side of the page under the Saturday, September 18, 2010, March 22, 2014 and May 3, 2014 headings.

-Visit <http://hearliberty.com/joebanister.html> for a limited selection of show archives.

-Go to <http://twitter.com/> and type in either "josephbanister" into the "Search" box or "joebanister" and then click on the word "Search" to the right of the "Search" box to find my "Twitter" page. Keep in mind that my "@josephbanister" twitter account concentrates primarily on current events and government corruption, tax matters and attacks on our Constitution and Bill of Rights whereas my "@joebanister" twitter account concentrates primarily on spiritual matters and miscellaneous topics.

-Prayers in support of this effort are always welcomed and encouraged. May we all focus on giving glory to God and obeying His Commandments, especially the Commandment not to take His Name in vain. One "pet project" I have is to encourage film and television producers, directors, writers, actors and actresses to refrain from using God's or Jesus' Name in vain in their films and shows. I will use my "@joebanister" twitter account and the hashtag #LordsNameInVainWatch to ask for your help in making public requests to film and television personalities to stop using the Lord's Name in vain while pursuing their profession. Let's work together and speak up in defense of God's Holy Name and let us shower God with our devotion so that He will more abundantly shower our nation with blessings.

-Contributions to my legal defense fund are also welcomed due to the significant costs of defending against multiple and continuing government attacks. I also spend a significant amount of my personal time fighting this battle and speaking out. Your contributions help me keep the fight alive. Checks or money orders are gratefully accepted and can be made payable to "Joseph Banister" to assist me with legal expenses and can be mailed to 1805 N. Carson Street, Suite C, Carson City, Nevada 89701. Money orders or cash may provide a greater degree of privacy to the donor than checks so use your own discretion based on the degree of privacy you desire.

-My sincere thanks to those who have prayed for the success of our efforts and/or contributed to my legal defense fund. Your continued support is enabling me to illustrate, in detail and in a very public manner, that the IRS does not prevail against citizens because the agency adheres to the rule of law, but that the IRS prevails against citizens because the agency ignores the law, twists the meaning of the law, and overwhelms the citizen with economic and legal burdens. In a school yard, such tactics are called "Bullying". In a government

setting, such tactics are called "Tyranny". This effort is the equivalent of ganging up on the bully and sending him to reform school where he belongs.

Kind regards,

Joseph R. (Joe) Banister

Former IRS Criminal Investigation Division Special Agent

II Chronicles 7:14:

Thou shalt not take the name of the Lord thy God in vain: for the Lord will not hold him guiltless that shall take the name of the Lord his God in vain.

Matthew 5:27-28:

You have heard that it was said to them of old: "Thou shalt not commit adultery". But I say to you that whosoever shall look on a woman to lust after her hath already committed adultery with her in his heart.

John 6:51-52:

I am the living bread which came down from heaven. If any man eat of this bread, he shall live forever; and the bread that I will give, is my flesh, for the life of the world.

George Orwell, 1984:

"You are a slow learner, Winston," said O'Brien gently.

"How can I help it?" he blubbered. "How can I help seeing what is in front of my eyes? Two and two are four."

"Sometimes, Winston. Sometimes they are five. Sometimes they are three.

Sometimes they are all of them at once. You must try harder. It is not easy to become sane."
