## WHAT WOULD BE LEFT OF MONTANA?

**Q:** If the management of Montana's lands and resources is turned over to tribal control, what would be left?

**A:** Not much.

### THE FEDERAL TAKING OF OUR LANDS

Here is a map of Montana that shows how much of Montana, and how many Montanans and businesses, would be subordinated and denied constitutional rights and protections afforded by the Bill of Rights if the tribes are used by F\*USA to unconstitutionally further extend its unconstitutional jurisdiction.
